**FAIRVILLE BUILDING**  
Main street, Fairville, which suffered so severely by fire on May 1, is gradually being built up again, and with prospects of more new properties soon under way, that section will assume a more normal aspect.

The first to make a start at rebuilding was Thomas Kerrigan, meat dealer, and his premises were ready for occupancy by him in July. The property of J. Stout, furniture dealer, is rapidly nearing completion, and Mr. Stout expects to open his store for business at the last of this week.

It is reported that excavation work on J. J. Hennessey's lots will commence any day now, and in course of time a new building will be put up, consisting of store and dwelling.

The lot formerly leased by Walter Ross has been acquired by Chittick Brothers, and they are likely to build by the spring.

It has been generally understood that the fire wardens are to make a beginning soon on the modern fire station to replace the present temporary building in Church avenue, but nothing definite has been announced yet.

Meanwhile all the new property owners are wondering about the added fire protection suggested at the public meeting held weeks ago.

**POLICE BLOCK GENERAL STRIKE**  
Airplane, Wireless, Cavalry and Police Forces in Elaborate Plan of Campaign.

Paris, Aug. 29.—Elaborate plans by the police appear to have slipped in the bud the general strike ordered by the extremist labor federation in sympathy with the Havre strikers and in opposition to the conservative labor federation, keeping in touch by wireless telephone with the reserves entrusted with the task of dispersing all manifestations.

The taxi drivers alone are idle. The railroads have not been affected. The city is quiet.

Havre, Aug. 29.—Despite the general strike here, the French line steamer La Savoie sailed for New York after last midnight, as scheduled. The Rochambeau will leave late today.

**BRITISH WOMAN EDUCATOR IS FOUND DEAD IN ALPS**  
Geneva, Aug. 29.—The body of Sophie Bryant, an aged British educator, was found on the rocks between the villages of Montanvert and Chamionix, in the Alpine region today. She had apparently become lost and had taken off her shoes to bathe her feet, but there was no indication of the cause of death.

## LOCAL NEWS

A drowning accident was averted on the West Side last night by the quickness of Thomas Treacartin. J. Allan Anthony, three-year-old son of James Anthony, 8 King street, was playing in a boat, when he tumbled into the water. Treacartin, who lives near by, was on his way to the boat to take the little fellow out, lest he should fall over, when

he perceived that this already had happened. He jumped into the harbor and rescued the child, who was none the worse for his ducking.

At a meeting of the Exhibition Association held yesterday afternoon, it was decided not to purchase any rain insurance, but to take a chance with the weather as in other years. A committee was appointed to proceed with the matter of a live stock auction as an experiment. Commissioner Thornton explained the parking arrangements. He
