

Our Thanksgiving Service was but meagrely attended. Invitations were given to every family in the Church, but though the attendance was small, the meeting was a helpful and a hopeful one to those present. The Thanksgiving offering was \$27.35.

In a congregation of 364 families we have a membership of 43, and an average attendance at our monthly meetings of 21.

The amount collected from all sources is \$155.29; a small increase over last year.

In closing this report we would ask, are we satisfied with our work as an Auxiliary for the Master we profess to serve, and the Society to which we belong, whose motto is, "The World for Christ"? This work will go forward as surely as he is "King of Kings" and "Lord of Lords." Will we share with Him the work He has so graciously offered us to do for Him, or will we cast this wonderful service aside and allow others to sow where we might have sown, and reap blessings for ourselves and others where we might have gathered?
