MERRITT TO INCORPORATE. First Election Will Be Held Next January.

SUGGEST HOLDING

COURT AT SUNRISE

Consideration of Those Arrested for Being Intoxicated Urged on Vancouver Commissioner

Vancouver, Aug. 4.—A delegation rom the Trades and Labor Council which waited on the police commissioners at their regular meeting, urged very strongly the establishment of a sunrise court to deal with inebriates.

This step was urged upon Commissioners White and von Cramer, who constituted the police board in the ab sence of the mayor, by J. H. McVety and J. McGreer, Jr., delegates from the Trades and Labor Council. Mr. Mc-Greer pointed out that the present po-lice court treatment of a man, who rew. Constable Docksteader, of the provincial police, and Detective Carlow, of the city force, estified to remarks made by Allen when they were bring in the city force, estified to remarks made by Allen when they were bring in the toty force, estified to remarks made by Allen when they were bring in the city. Allen after the provincial police, and returning the rig started to talk, and is been made to the provincial police by the item by the city. Allen after the hearing, and is a material witness of the provincial police, and returning the rig started to talk, and is been made to burn down which asked if Captain Elliston was dead. He was answered in the affirmative, and when cautioned to say nothing which might be used as evidence against him, he said: "I know, I know, I know, I would not have the witnesses for the crown, d, upon his advice, Allen did not ask may duestions. For the greater to the time the accused sat in the key with say would be dead as his health was, very bad. Too much drink was the cause of it all. He also declared to might as well be dead as his health was, very bad. Too much drink was the cause of it all. He also declared in my duestions. For the greater in the proceed against him, he said: "Where did I shoot in the way to the city also asked: "Where did I shoot for a long time. You can ask Dr. Farley was called to the and first. He was in the company the first three with his head bowed, apparently in a said to be well-connected in the way, but there was a thick for long time. You can ask Dr. Farley was called to the and first. He was in the company of the compa

tons for Tacoma.

The voyage across was very calm and a way, but there was a thick fog nost of the time. This, however, did not delay the steamer, which pushed ahcad at full speed.

The engineers of the steamer are looking forward to picking up the mule which was stolen from their mast-head by the engineers of the rotesilaus when the two steamers were together in Manila harbor on the last voyage. The wooden mule is now aniled to the wharf at Seattle awaiting her rightful owners.

Commissioner White assured the delegates that the commissioners would after the disambarking her passengers.

The chief's report for the month of acres of the steamer are looking from their mast-head by the engineers of the work along the same lines in Vancouver. They might go even further than the sunrise court, and when a man be came sober allow him to go his way in peace.

Commissioner White assured the delegates that the commissioners would attack the matter up when they had a full commission present.

The chief's report for the month of acres of least that the commissioners would attack the matter up when they had a full commission present.
