THE DUNNING BANQUET.

DR. H. R. FLEMING, M. A.

(Continued from page 1.)

dom rests upon the sacredness of contracts. We recognise it as a nation. We have recognised of Agric it as an Empire and we cannot break away from it in our private transactions and help mainwhich the spirit of liberalism strives after. While the government is prepared to exercise

the other week we had an example of that, various factions expressing the spirit of liberalism divided into three and warring with each other, and as a conservatism, that other great balancing spirit in the political life of any

great nation, is in control.

Queen Victoria:

And statesmen at her Council met Who knew the seasons when to take Occasions by the hand and make The bonds of freedom wider yet

## Threshing Machine Short Course \$7,870,514.

dents apply, a course covering the adjustment, care and repair of threshing machines will be lower per car than in any other lower per car than in any other

ing: Power and speed, pulleys, belts and belt lacings, Cylinder and concaves, Journals and box-

ine and belt alignment. "There can be no question but Provincial Analyst. that the lack of understanding of factors outlined above mean in University of and attention to the important the aggregate a very considerable loss of grain yearly," states Mr. Department of Chemistry, Raynor. It also entails in many cases a shortening of the life of the machine and an increase in Dominion Chemist, the cost of operation.

Most machines will do the work

Shooting Allowed in tain that freedom of society Saskatchewan Bird Sanctuaries in Open Season

ernment is prepared to exercise its good offices as between creditor and debtor to the greatest extent possible, it is not a good thing to demand from a government means to help the individual to avoid complete consequences of his own mistakes.

I believe firmly in the application of the spirit of liberalism as I understand it. the reservation of the spirit of liberalism as I understand it. I understand the spirit of liberalism to be confined within no narrow limits and I do not expect to interpret it for you. Every man has always interpreted it for himself.

The understanding with their water-fowl shooting on these lands. The understanding with the provincial authorities is that shooting will be allowed on all Sanctuaries in the Province of himself.

be permanently overcome in Saskatchewan by the provision of Sanctuaries, where the breeding birds will be protected during the nesting season, and where the public will be welcome during the other week we had an extension of the other week we had an extension

#### Maintaining Provincial Highway System.

That there is one Automobile in Saskatchewan for every twelve All along the line we have persons, and that it is an exceedseen liberalism striving after ingly difficult problem to meet the unattainable. Is there anything ignoble in doing that? that better roads for through No. Again I say of Canada and traffic should be provided by of Saskatchewan that we are building up and maintaining at imbued with the spirit of liber- a fairly high standard the provalism regardless of the mere incial highway system, was statlimits of party name or creed, ed by Hon. J. G. Gardiner, provin order that true progress may incial minister of highways in an continue in our province and address delivered to the Ridge-This is the kind of a man that this Province wants today and he and his colleagues in the Government of Saskatchewan possess those qualities attributed by Tow dale Board of Trade recently. those qualities attributed by Tennyson to the advisers of the late Queen Victoria:

| Arthop past tennyson to \$4,221,642 | while for the same period there had been spent by the Saskatchewan government, from revenue alone, \$6,918,157 in providing for the construction and maintenance of main market roads, ferries and revenue bridges, and during the same Which kept her throne unshaken still, Broad based upon her people's will And compassed by the inviolable sea.

Broad based upon her people's will the provincial government from the provi capital account on main roads, bridges and ferries a total of

of threshing machines will be given at the College of Agriculture, Saskatoon, January 29 to February 3, 1923. A tuition fee of \$5 will be charged.

In this course, particular attention will be given to the following a total revenue of \$1,386,531 in 1921, while Saskatchewan with 61,175 cars collected only \$821, 881 in the same year.
