WOMAN SUFFRAGE IN ITALY.

The question of woman suffrage is eing strongly agitated in Italy. Arguing advanced by several leading jourof the nation they should be allowed sity of another. Just now the a voice in its government. It would the necessity of another. Just now the eyes of the eastern provinces, and of every country in the world are directed to the provinces of Manitoba, Saskatchewan and Alberta, with their almost phenomenal wheat-producing qualities. The maritime provinces, from every city, town and village, have contributed their sons and daughters contributed their sons and daughters to the settling of the great West, and are bound to the West not alone by national ties, but also by personal ties of relationship. The sons of the West are feebler ones uncertain of their opinions and ready to submit to authority.

A MODEL MUNICIPALITY.

In a recent article by Mr. Frederic farm laborers to the Canadian North-west at the nominal sum of \$12. It receives unbounded praise, The citizen ime provinces to show their pride in the growth of the nation by co-operation; with the Canadian Pacific in sup-

ers, for the taxpayers, by the tax-A meeting of the treasury board was held last evening. The question of changing the rate of discount for taxes was discussed at some length, and finch as does Glasgow, and talked so never knew a city that hated taxes as tality.—Manitoulin Guide. the relief of the poor, and the poor of

taxes, several of the members were opposed to reducing the rate. Several motions were made in the mation from the council ance schemes for the destruction of that the city laborers be paid by the direction was taken up. After some discussion the chamberlain was asked to report on the matter.

The board decided that the chairman should bring it a recommendation.

TRACTIVE.

TORONTO, Aug. 2.—At the time of the Winnipeg street railway strike some of employes of the Toronto Street Railway left their jobs and went to Winnipeg where they assisted in breaking the strike. At the end of the trouble there they returned to Toronto and went back to work on their old jobs. As a result some of these men were Who knows? The old ships do not tell Of what the waters whisper low When lazily they break or swell Is something of the long ago, But times there are when each old Will lift and toss as though to start As a result some of these men were assaulted by other employes of the Toronto Street Railway, and the management dismissed the men who took part in the assault. The union threatened to call a strike and under an agreement the company has with the union the case went to arbitration. union the case went to arbitration.

The two parties selected Judge Mabee as third abitrator. Today a decision was handed out unanimously upholding the right of the company to engage and discharge at its discretion, subject only to any existing agreement and to the laws of the land. The refusal to dismiss the men engaged in the Winnipeg strike was most justifiable. The arbitrators consider it in the best interests of all concerned that the company should reinstate to their former positions the men discharged for assault. The company and the union to sault. The company and the union to bear the costs of the arbitration equally,

bear the costs of the arbitration equally, each side paying their own arbitrators and halving the cost of the referee.

TORONTO, Aug. 2.—Ed. J. Baker, whose game was to call at houses after the departure of the male inmates and tell the women that their husbands had met with a serious accident, and then rob the premises after the women had rushed to the alleged scene of the accident, was today sentenced to two terms of ten years each in Kingston terms of ten years each in Kingston penitentiary, to run concurrently.
