Chrint. At Jordan Bay a beautiful massi-ing house is in process of eraction which Will, when completely, he a great course iong and a credit to the people. The dol to the soundy, it was my privilege to regione in a very precious work of great and, for four Sabbath in maccessical presence of a large concourse of people, which trained of the summer region of the section of the simple section of the inpresence of a large concourse of people, which trained of the impressive rite. Much the reading of the Word of the Lord show ing our authority and dimension of the spectromance of the ordinance of objective abunch at Shelburne has taken a from start in her important mission. A pastor is annicasily looked for and greatly meeded, Christ. Ai Jerdan Bay a beaufol mese-ing home is in process of erection which will, when completed, he a great conver-ience and a credit to the people. In the old town of Shelburne, the shire town of the county, it was my privilege to rejoice in a very procious work of grace and, for four Sabbath in succession to baytise happy, coursecous converte in the presence of a large otnocurse of people, who showed the atmost respect to the adminis-tration of the impressive rite. Much prominence was given at these services to the reading of the Word of the Lord show-ing our authority and direction for the performance of the ordinate of orbital haptim. The Sabbath school and gravyr meeting were reorganized and the little durch at Shelburns has taken a fresh start in her important mission. A pastor is annicously looked for and greatly meeded, and haw, too, the coming man will find a hoperal and compiled the sum of the sum and physical powers.

hopsical and congenial field and sample moment of the exercise of his mental and physical powers.
Ai Jordan River, also a part of Shelburns field, we shyoed considerable awakening, but the time of my visit did not seem to be the most suitable as the mean were object to the banks, or the United States, or to their atream driving. Our brethrers at Jordan River have a beautifut and consending y reditable to them', but units that the se of them', but units that a socordance's the Adverse have a beautifut and commending a greefal collection in each church for this purpose.
Permit me to admonwheight the 'resolution of the Convention recommending a greefal collection in each church in the greefal collection in each church for the sense of them', but units the sense of them', but units that a digressing influence. They are, if the above represents the contributions of twenty churches which have made collections for the above represents the contributions of twenty churches.
