ALMOST FAINTED ON THE STREET

In Daily Fear of Death - Until "Fruit-a-tives" Brought Relief.

Chatham, Ont., April 3rd, 1913. "Some two years ago I was a great sufferer from indigestion. One day I was called to my work and I found myself almost fainting. I found it good enough for me." I bought some. After taking these wonderful tablets for only three weeks, I found myself wonderfully improved. In a short time longer, I cured myself entirely. My case was no light one, either. Gas would often form in my stomach and I was in daily fear that it would get around my heart and kill me. "Fruit-a-tives" is the only remedy for indigestion."

50c. a box, six for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Simonds with his father under the title of Thomas Philips & Sons, and he afterwards took up the business of the exchange of the business of the steamship tickets, representing the famous Cook's tourist agency for many years. Mr. Philips was an unassuming man of much ability, a very kind and generous man, who was highly respected by all who knew him. Three sons survive him—Charles S. St. John; Ernest L. Ham; Herbert S. Montreal. The funeral will take place on Tuesday.

EVIL OF SUBSTITUTION EXPOSED. A dealer substitutes because he makes more profit by his inferior article. A local citizen was induced to take a substitute for Putnam's Corn Extractor, with the result that the substitute burnt his toes and failed to do his work. Putnam's contains no acid and is guaranteed. Always get Putnam's Extractor, 25c. at all dealers.

Buried Yesterday. Despite the inclement weather a number of citizens turned out to pay their last respects to Mr. Roland Carter, second engineer of the Donjon, who died of pneumonia. The funeral took place at 2:30 o'clock from 112 Orange street. The obsequies were conducted by the Rev. W. H. Barragou, pastor of the Holy Trinity Church. A wreath from the crew and also one from the office staff of the Norton Griffiths Dredging Company. The remains were interred in Fernhill cemetery.

PROBATE COURT. Estate of Edward I. Jewett, lumber merchant. Deceased, intestate, leaving no surviving his widow, Bathiah W. Jewett, and a son, Leonard M. Jewett. On the petition of these two the son is appointed administrator. No real estate. Personalty \$1,200. Life insurance payable to the widow, \$13,840. Sherwood A. M. Skinner, proctor.

PEOPLE OFTEN SAY "How Are We To Know When The Kidneys Are Out Of Order?" EASIEST THING IN THE WORLD!

The location of the kidneys, close to the small of the back, renders the detection of kidney trouble a simple matter. The note of warning comes from the back. The kidneys become overtaxed and fail to do their work at nature's call. Backache is the signal sent out by the kidneys the minute they become overtaxed. Those who heed the warning when it first comes, usually have but little trouble.

OBITUARY. George Philips. The death of George Philips took place yesterday morning, aged 75 years. Mr. Philips was in business on Prince Wm. street, about opposite J. & A. McMillan's, a record probably not held by any other citizen. For part of that period, during the civil war in the United States he was a busy and well-known man, for he was a money broker. A native of Kirkcaldy, Scotland, Mr. Philips came to St. John with his parents when he was nine years old. In his early life he was engaged in running a paper mill in the Parish of

WILL DESIRE TO FIGHT AGAINST BROWN TAIL IN NEW BRUNSWICK

Survey Parties Begin Their Campaign Against Pest This Week—Fewer Brown Tails This Season Due to Good Work Done Last Year.

Special to The Standard. Fredericton, Nov. 14.—When the Brown Tail moth survey parties start on their annual tour of the province on November 30th they will find the much dreaded brown tail in much less number than was the case last year, according to Mr. L. S. McLaine, Dominion entomologist, who has charge of the survey work. In 1913 brown tail hunters found 30,000 nests in New Brunswick, the majority in Charlotte, York, Carleton and Sunbury counties.

Scarcity of brown tails this year is accounted for by the large area covered by survey parties last winter when such a large number of nests were destroyed. The severe winter of last year also had a tendency to destroy a number of nests, but those in sheltered places were not harmed. The same territory will be covered this year as last, that is they will hunt in all counties with the exception of Restigouche and Gloucester. It may be possible, however, that these counties will be surveyed this year. Of thirteen counties in which survey parties worked last year eleven were treated with brown, the tail moth. In these eleven counties nests were found on different kind of trees.

The survey party this year will be of the same number as in 1913, sixteen members in all. Mr. McLaine proposes to have this number separated into four divisions with four hunters to each party. One will start in York county and work to Northumberland county, another will start in Carleton county and work to Victoria county, the third will start in Sunbury county and work along the river counties, Kings and Queens, and fourth will start in Charlotte county and work along Bay of Fundy into St. John county. They will cover same area as last year, boundaries of infested districts in 1913 being Power Creek, Madawaska county, Nieto, Miller, Victoria county, Logesville, Northumberland county, Big Point, Kent county and Quaco road, St. John county.

Those appointed for this year's party by the Dominion government are: Mr. Arthur Finamore of Fredericton; Keenan of Moncton, P. N. Vroom as last year, and work along the coast; St. Stephen, Leander Simpson of Oak Bay; Harold McKel of Colebrook and Geo. Ball of New Maryland, Mr.

Rental, \$10 a mile per annum. Royalty, 2 cent. after the output exceeds \$10,000.

WOMAN REFUSES OPERATION Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound. Loganport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me every day. At last my doctor told me that all that would save me was an operation, but this I refused. I took Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine. "I hope other suffering women will try your Compound. I will recommend it to all I know."—Mrs. DANIEL D. DAVIS, 110 Franklin St., Loganport, Ind. Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner? If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound. Write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

EVERY WOMAN should know about the wonderful benefits of Lydia E. Pinkham's Vegetable Compound. Ask your druggist for it. It is a natural, safe, and reliable remedy for all female troubles. It gives full particulars and directions in English, French, and German. Write to Lydia E. Pinkham Medicine Co., Lynn, Mass. General Agents for Canada.
