

# KAISER SUES FOR PEACE IN VAIN TO BELGIUM?

## BERLIN FEARS BRITAIN WOULD DOMINATE A PEACE CONFERENCE

Amsterdam, via London, Feb. 9 (11:47 p. m.)—The Koelnische Volks Zeitung discussing peace possibilities, asserts that Germany will never consent to enter a general peace conference, but will only consent to negotiate with each individual enemy. Germany takes the ground, the paper adds, that a general conference would give Great Britain the upper hand.

### PRINCE OSCAR HORS DE COMBAT FOR REST OF WAR.

Amsterdam, via London, Feb. 9 (11:47 p. m.)—The German newspapers state that Prince Oscar's wounds, recently received in the eastern war theatre, are not serious, but that as he suffers from a weak heart he will not be able to take further part in the war. The German Emperor and Empress have received thousands of telegrams congratulating them on Prince Oscar's escape.

## King Albert Refuses to Accept Germany's Proposals for Peace?

New York, Feb. 10.—A special cable to the Tribune from London, says:

"Fresh evidence that Germany is anxious to end the war as soon as possible comes to light every day. There is no question but that she is feeling the pinch hard."

"It can now be stated with assurance that she has made a frantic and flattering offer to Belgium, which King Albert has declined to accept, after a conference with Lord Curzon and Sir Douglas Haig, who were sent at his special request for information from the Allied governments."

"Aside from a promise to restore the kingdom as it was before the war, Germany offered to return King Albert to the Belgian throne and pay a big indemnity. Germany reserved the right to hold Antwerp and Ostend as German ports."

"Naturally, neither Albert nor Great Britain was willing to grant this concession under consideration, so that the offer has been flatly turned down."

"With the Germans out of Belgium more men would be available for other fields, while the west front would be cut down materially. These conditions would be of decided advantage to Germany. King Albert, as soon as he was assured of the continued support of the Allies, declared that a separate peace was impossible."

## SMITH-DORRIEN REPLY TO U.S. QUILTS POST IN EAST AFRICA ON BLOCKADE IS DELAYED

London, Feb. 9.—The British reply to the American note on the blockade question has been delayed, and it is possible that it will not be ready this month. It had been expected the note would be despatched early in February, after Great Britain had submitted it to France for its approval.

There is no authority for any statement as to whether or not the delay is connected with negotiations between Germany and the United States in regard to the Lusitania case.

London, Feb. 9.—General Sir Horace L. Smith-Dorrien has relinquished the command of the British forces operating in East Africa, owing to ill-health, it was officially announced tonight.

Gen. Jan Christian Smuts, the Minister of the Interior, mines and defence of the Union of South Africa, has accepted the vacancy, with the rank of temporary lieutenant-general, the announcement added.

Last November, when the Union contingents for East Africa were being formed, the government offered the command to Gen. Smuts. For various reasons he was then unable to accept it. Now it has again been offered to Gen. Smuts, who, in the circumstances accepted.

Intends Submarine War on Bigger Scale and Unwilling to be Hampered by Legal Considerations.

New York, Feb. 10.—A special cable to the Tribune from London says: "A high government official told the Tribune today that there was only one reason why Germany made such a stand against the use of the word 'illegal' in the Lusitania settlement. 'It is practically certain,' he said, 'that Germany is preparing for the immediate resumption of the submarine campaign on a big scale; consequently, it does not want to be hampered by any consideration of legality.' ## ANOTHER ALLEGED PLOT IN CANADA

New York Herald gives sensational story of conspiracy, chief object of which was blowing up of Welland Canal.

(New York Herald) Feb. 7. Canadian Secret Service agents at work in New York unearthing a German plot to invade Canada, reported these findings to their government yesterday: "Two hundred thousand Mauser rifles had been secretly purchased by German agents and were being shipped to points along the Canadian border."

That scores of German officers recently have arrived in the United States in the guise of Belgian refugees and from neutral ports of Europe, with the object of heading an armed force for the invasion of Canada.

That the principal object of this secret movement is the destruction of the Welland Canal and crippling the shipment of \$600,000,000 of Canadian wheat to the Allies.

That one-third of the output of American munition plants has been purchased by German agents masquerading as agents for the allied governments, and that these war supplies, the greater part composed of rifles, are stored secretly.

That the destruction of the Canadian Parliament building at Ottawa last week and the attempted destruction of a munition plant in the same city on February 5 were the work of German sympathizers.

Existence of a German plot to invade Canada to destroy the Welland Canal in order to prevent the shipment of wheat to the Allies has been uncovered by detectives of the Canadian Secret Service.

Other facts revealed by a secret investigation which has been carried on for weeks in this city and in Connecticut include the amazing development that approximately two hundred thousand rifles have been purchased by German agents here and that these weapons are being sent by stealth to the northern border for use when the time comes to strike the blow against Canada.

It also has developed that during the last six months scores of trained German army officers have come to this country in the guise of Belgian refugees and Scandinavians, and that they organized secretly large companies of Germans with the avowed purpose of making a raid upon the Welland Canal. It is said by Secret Service agents of Canada that many thousands of men have been enrolled.

Another important development is the statement of a man conversant with the situation, that nearly one-half of the munition factories controlled by the Allies with American manufacturers actually have been lent to Germans under assumed names, and that the munitions have been stored away in places not yet discovered by Canadian Secret Service agents. The munitions, consisting of shells, shrapnel and immense stores of rifles, it is stated, have been paid for by money deposited in various banks in this city by well known agents of the German government.

That the raid of this army of Germans was designed to be carried out within the next two months was the statement made by one Canadian authority last night. According to the director of a leading munition plant, whose name cannot be disclosed at this time, not a single rifle contracted for by the Allies in 1915 was shipped to Europe prior to last November. What became of these rifles the Canadian authorities are bending their best efforts to learn, but thus far, it was admitted last night, every effort to get reliable information has met with failure.

Letters conveying this information sent to General Sir Sam Hughes, the Canadian War Secretary, and to Colonel Percy Sherwood, Chief of the Canadian Secret Service in Ottawa, within the last three or four days prompted those officials to take extraordinary measures to meet the emergency. Extra guards fully armed have been sent to the Welland Canal and every foot of the canal is patrolled day and night. Meanwhile Secret Service agents and deputies are guarding the border line and every new comer is watched.
