CANVAS FOR MEMBERS WAS BIG SUCCESS

W. B. Tennant Reported That About 200 Had Been Secured for Playgrounds Association Matters of Routine Business Discussed at Executive Meeting

The sum of \$257 was added to the funds of the Playgrounds Association last evening as the result of a canvass for members by W. B. Tennant. The membership fee is one dollar, and Mr. Tennant reported that the amount turned in represented about 200 members, and further additions to the membership are anticipated. The receipt of this amount was very gratifying to the executive, as the city grant to the association this year is \$1,500 less than that of last year. A hearty vote of thanks was tendered Mr. Tennant.

The president, Mrs. W. C. Good, was in the chair at last night's executive meeting and there was a large attendance of members. The reports from the Boys' Club and the Girls' Club showed very successful work for the month of February, with much more general interest in both. The Travellers' Aid report was exceptionally interesting, and dealt with some very pathetic cases, handled by Miss Hoyt during the month. She took an average of two persons per day for the month to the Girls' Club alone, and many of these would have been rather badly off but for her counsel and assistance.

W. B. Tennant, A. M. Belding and the treasurer, Mrs. George Dishart, were appointed a committee to report on the finances of the association in relation to the work of the current year. There was a very interesting discussion on the work of the Girls' Club, in relation to increasing its membership and enlarging its activities.

A vote of thanks was extended to Miss Heffer for the admirable entertainment recently put on by her and her pupils for the benefit of the association.

Mrs. W. C. Good, Mrs. J. H. Doody, Mrs. N. C. Scott, Mrs. A. M. Belding and W. B. Tennant were appointed to represent the association in the Social Service Council. Mrs. Corbett, Mrs. Flagler, Mrs. Secord and Mrs. Doody were appointed a visiting committee in connection with the work of the Girls' Club.

On motion of A. M. Belding a resolution was adopted setting forth that as the Travellers' Aid work in St. John is not at present adequate to the needs, and as this association cannot enlarge it because of lack of funds, that the Women's Council be asked to consider whether it could, through its affiliated societies, provide funds to put the work on a satisfactory basis, with sufficient workers and accommodation to meet all needs, and to carry on the work under the direction of its executive until such time as the Y. W. C. A. is established in St. John, and in a position to take over the work.

The president reported that the W. C. T. U. had undertaken to serve supper every Sunday evening at the Girls' Club to such of the girls as might be able to attend prior to the song service that is regularly enjoyed.

Applications were received from a number of young ladies who desire to become supervisors or assistants on the summer playgrounds. These with all others that may come in were referred to a committee composed of the president, secretary, Rev. W. G. Lane, Miss Leavitt, Miss Parks, Mrs. F. E. Holman and R. E. Armstrong, with power to act.

DAN HAYWOOD WHITE'S FROM ENGLAND HOME

Standard Man Wounded and Gassed, Writes About Conditions in Motherland.

One of the first men to enlist in St. John, after the declaration of war, was Daniel Heywood, an employe in The Standard building. "Dan," as he is better known to his most intimate friends, went through many months of hard fighting, only to become a victim of wounds, and the deadly German gas. For many weary days "Scout" Heywood had been in hospital, and at the present time is receiving care in his sister's home at Oldham, Lancashire, England. A member of The Standard staff received a letter from the wounded soldier yesterday, which in part is as follows:

2 Howard street, Oldham, Lancashire, Eng. 11-2-17.

Dear Friends:—I hope that you are well, and I am looking forward shortly to being back in Canada with you all. I have been a very long time in hospital, and was quite downhearted, as my wounds would not heal, and I am going to get my discharge. I have had considerable trouble with my left lung this winter, from the effects of the bad dose of German gas that I received. However, I am not feeling so badly at the present time.

I have had quite a number of residences since I left the Sheffield War Hospital. The best was at Bushey Park, called the King's Canadian Red Cross Hospital. There we got the best of attendance and food, and always had plenty of amusements. Then I went to Folkestone for about a month, then to Bath, Somersetshire, a most beautiful place. It was formerly a Monastery. It is here where the Canadian soldiers are. From there I went to my sister's home, where I am at present.

Everybody here is quite busy on war work—chiefly women and old men, as they have called all the young men to the colors. Girls are conductors on the street cars, and even driving teams; some are using the pick and shovel; and there are also police women. The lights are all darkened at eight o'clock at night and all the shops are closed. Everywhere there are searchlights and anti-aircraft guns, but I don't think any more of the German Zepps will come over. I saw one of the Zepps about three months ago, and it was brought down in fine style.

I would like to be back again to see all my friends in St. John, for it was home to me in The Standard.

Major Marham is still at Folkestone.

Remember me to all my friends. So good by for the present, from DAN.

WILL HAVE NO MERCY

Boston, March 2.—Because she befriended an elderly woman at Revere Beach in the summer of 1914, Ruth Shampianer, a pretty 22 year old girl of Dorchester has been willed \$38,000 by Mrs. Kathleen V. Ward, of Grand Rapids, Mich. While walking along the beach one day Mrs. Ward, an elderly woman, stumbled and fell heavily. She was assisted to her feet by Miss Shampianer, and from that time on the two were close friends.

OTTAWA IGNORANT TO ROGERS' APPOINTMENT

Special to The Standard. Ottawa, Mar. 2.—With regard to the statement cabled from London that Hon. Robert Rogers is likely to be made overseas minister of militia, nothing is known here. There have been rumors for some time that the Minister of Public Works would be made Canadian high commissioner in London but no one here knows anything authoritative about the subject. These appointments are entirely in the hands of the Prime Minister, who is in London. Both of these offices are now being administered by Sir George Perley and there is no doubt but his duties are very onerous.
