CARLETON WOODSTOCK.

WOODSTOCK, March 11—Rev Mr Rutledge, pastor of Albert street Baptist church, has tendered his resignation, to take effect May 1. Mr Rutledge is a general favorite and will be much missed by the people of Woodstock, as also will Mrs Rutledge.

The annual meeting of the Press Publishing Company was held at the office of J N Winslow last week, and the following officers were elected for the ensuing year: A B Connel, president; G L Holyoke, vice-president; A D Biddle, secretary; J T Allen, Dibble, treasurer; directors, J N Winslow, G L Holyoke, A B Connel, J T A Dibble.

Harry Hasall defeated Wm McDonaid in a closely contested race in the roller rink Thursday evening last. Chas Appleby addressed a meeting of the young Liberals in their hall on Friday evening last.

At the meeting of the town council, on Friday evening, the following address was presented to Mr Wm Fisher, the retiring town treasurer: To Mr Wm Fisher:—Dear Sir: The members of the town council of the town of Woodstock can not permit you, after having for nineteen years so faithfully discharged the functions pertaining to the responsible position of town treasurer, to resign your office without expressing their sincere regrets at the loss of your services, and the appreciation of the faithful services performed by you; your uniform urbanity and the ever cheerful readiness manifested by you to assist the council, or its officials, by word or deed, in the administration of town affairs.

The council desires to tender to yourself and to Mrs Fisher their warmest wishes for your future prosperity and happiness. Mr Fisher made a suitable reply. WOODSTOCK, March 12—John Hughes, livery stable keeper, who has been suffering with two cancers, one on his lip and one on his jaw, from the Montreal Cancer Institute, Carleton, Me, about two weeks ago and had them removed. He returned on Friday feeling as well as usual.

There will be a meeting of the Carleton County Farmers' and Dairy-men's Association at Carletonville on Tuesday, the 21st of March, at 2 1/2 p. m. A variety of subjects, including the pork question, will be discussed. Rev Mr Turner, of Gibson, will occupy the pulpit of the Methodist church next Sunday morning and Rev Mr Weddall, of Queen square church, St John, will preach in the evening.

from 6 until 10 o'clock. The dresses of the ladies present were handsome in the extreme and showed to advantage the forms of the most beautiful ladies, for which the four towns on the St Croix are noted. Mr Leonard King, of Kingsville, St John, is on a visit to the St Croix, after an absence of 15 years. Mrs John Webber died quite suddenly this forenoon, after a few days' illness, leaving a kind husband and large family of small children to mourn their loss. Mr Webber is receiving the sincere sympathy of a large circle of friends.

ST. ANDREWS. ST. ANDREWS, March 13—The Rev A W Lewis conducted the services in Greenock church yesterday. Mr G D Gimmer made a business trip to St John and Woodstock last week. Mr Robert Stevenson, who has the contract for building the superstructure of Sir William Vanstone's great stables on Minister's Island, is meeting with some difficulties about securing lumber of the proper dimensions for the specifications for some very large and heavy timbers, away beyond the ordinary dimensions and sizes.

Mr Angus Kennedy is having some extensive repairs made in and about his excellent hotel in anticipation of a good business during the coming summer. Most of the sleeping rooms are being very tastefully painted and the corridors are also to receive attention. The outside of the building will also be painted when the weather gets fit for outside work. Mr William Giblin has charge of the work. The price of turpins has advanced and farmers are now selling for 60 to 65 cents per barrel. This is the best price paid this year.

MILLTOWN. MILLTOWN, March 8—The humorous entertainment and laugh given by the Presbyterians in their vestry last evening was a great success. All ladies who did not appear in calico dress and all gentlemen who did not wear calico ties were fined. There were other amusing features. Some of the costumes were unusually nicely put up and some were especially pretty. The Milltown band discoursed sweet music during the evening. Miss Cole is starting a large French class at the High School. Wagons were being used here until last night's storm. Joseph Shirley is now clerking in the store of Mr A F Dewar. Mr Green, engineer on the C P R, is moving into the house of Mr A McAllister.

John Bell has his new stage barn finished, and is treating all his outbuildings to a coat of paint. His cow stable is a model of neatness, and his herd of cows are all thoroughbreds. His milk trade is increasing. Most of the picket lines near town are likely to be opened up this summer. Mr A Mungall is absent on his regular tour of the cotton mills of the syndicate. David Embleton has already begun his season of paper hanging, painting, etc. He is at present attending to some of the corporation houses. Soap vendors and book agents are getting in their work just now, as the voice of the robin is again being heard in the land.

NEWBURG. NEWBURG, March 7—An accident occurred in McCollum's lumber woods which proved almost fatal. A young man from here, Frank Ryan, was loading a sled on the yard, from the yard a log came back, hit him on the head and rendered him unconscious. Surgical aid was obtained as soon as possible at Atholville and he was brought home Wednesday. Dr Rankin reported Saturday that he was improving. Miss Annie McGrath spent last week with her sister, Mrs P Montague. Mr Charles Cunningham and Mr Danl Gallagher have returned home from the woods.

CHARLOTTE CO. ST. STEPHEN. ST. STEPHEN, March 9—What might have been a very serious accident was fortunately averted when, on yesterday morning, an electric car while going from Calais to Milltown, Me., after turning Knight's corner, left the track and from end swung down the steep embankment at that place, the rear end only remaining on the track. A number of passengers were on the car at the time and had the car continued on the downward course the chances are that all, or nearly all, would have been killed as the back is very steep at that place with the railroad at the foot. Ice on the rail is reported as the cause of the accident. Conductor E. R. McMoran, McFarlane, two very careful officials, were in charge at the time. The Courier, with its usual method of distorting and misreading the readers of that paper, accuses your correspondent of hatching a dark plot against the honorable minister of railways because I stated since the election that, as Mr G Ganong had boasted that he or the Conservative party owned Charlotte county and that Mr Ganong would send four Conservatives to Fredericton, whereas, on the contrary, the voters had evidently lost confidence in Mr Ganong, and to be consistent he should now resign his seat in the commons. The plot against the minister of railways lies in the fact that Sunbury county, which is represented by Hon Mr Blair, returned Conservatives in the last election. As the Hon. Mr Gosens and Sunbury, the combined votes of which the Courier knows showed a substantial Liberal majority, I cannot see where the plot comes in, more especially as Mr Blair is not afflicted with such an enormous head, which would induce him to make the bold assertion that he owned those counties and would return candidates to suit himself at any election. Oh, no; the minister of railways is not built that way.

ST. STEPHEN, March 10—Last night the handsome residence of Mr and Mrs W Todd was brilliantly illuminated, being the occasion of what is pronounced to have been the most pleasant social event that has taken place for years on the St Croix. Mrs Todd had extended invitations to her lady friends on both sides of the river for an at home and over 100 accepted and enjoyed a beautiful repast, after which drive whist, music and singing whiled away a pleasant evening.

ST. STEPHEN, March 9—Mrs Robt Ferguson, of Yonghall, died recently at the ripe age of 80 years. The funeral took place Tuesday afternoon and was largely attended. Mrs Garrett Hodnett, of New Brandon, after a lingering and painful illness, passed away Sabbath evening last. Mrs Hodnett was a Miss Nixon of Caraquet; her mother, two brothers and one sister survive. Mrs Hodnett leaves a husband and some seven or eight children to mourn the loss of a faithful wife and affectionate mother. Great sympathy is felt for the family in their sad bereavement. The funeral took place Tuesday afternoon. A very large number of the relatives and friends followed the remains to the Methodist graveyard. Rev W Harrison conducted the services. Mr John Bonnie, engineer for the Adams, Barco Co, lost a little girl three years of age on Sabbath last. The remains were interred in the Methodist burying ground, Bathurst, Wednesday morning. Several cars are now being loaded here for shipment to the West India markets by Messrs R C Tait & Co, of Shediac. Robert Johnson, York Point's popular tenorsol artist, has moved into the premises in Niel Scott's new building recently. "Bobby" is a bang up barber and now being situated so near the hotel will probably come in for a good trade from commercial men and the general travelling public. F W Pickles, of the firm of Pickles & Foster, carries on his business and painters has accepted a position with an Amherst firm and will in a short time take up his residence in that town. Warren Upham, of Bode, Iowa, is here

visiting his uncle, C W J U;ham, at Upper Corner. The friends of Mr and Mrs John Appleton are celebrating the fifth anniversary of their marriage by a golden wedding which will be held tomorrow evening at their residence on St George street.

The ladies of the Presbyterian church will hold a dime sociable in their hall on Thursday evening next, at which there will be a musical and literary program, followed by refreshments. An automatic electric alarm gun is being placed in a post at the railway crossing, and will be in working order in a day or two. By means of batteries and wires the gun will be rung when an engine strikes the rails several hundred yards away from the crossing, and thus warn travellers and pedestrians of the approaching train. An apparatus of this kind has been greatly needed, as the crossing is a dangerous one, and has been the scene of many hairbreadth escapes from death.

SPRINGFIELD. SPRINGFIELD, March 7—The Rev Mr Deinstadt preached a very eloquent sermon in the Methodist church on Sunday afternoon, March 7. The home of Rev S D Irvine, of Hatfield's Point, has been gladdened by the birth of a son. Some time since Mrs James Huggard fell and broke her arm. She was attended by Dr White, under whose care she was glad to say, she is rapidly recovering. Miss Blanche Kallier (trained nurse) is at present spending her vacation with her parents at this place. Mr Claid Gillies has been very busy all winter hauling coalwood. The gripe has prostrated most every family in the neighborhood, but all are now convalescent.

The public school of this place is conducted by Mr J P Byles. He gives general satisfaction. Mr Robert D'Y not long ago cut his foot quite badly. Messrs A S Kestead and S H White, merchants of this place, seem to get their share of the general trade.

BELLEISLE CREEK. BELLEISLE CREEK, March 8—Mr and Mrs William Murray have gone to reside in Hazelton. Mr and Mrs Allen Marr, of St John, have been visiting friends here. An agricultural society and dairy association will probably be organized here in the near future. The school house at Springfield recently caught fire and but for the prompt action of Leonard Val would have been burned. A Springfield parish teachers' association will probably be organized here soon.

EAST SCOTCH SETTLEMENT. EAST SCOTCH SETTLEMENT, March 8—Rev Mr McLean preached his farewell sermon in St James Kirk in the evening, February 28. Miss Lucy King will take charge of the West Scotch Settlement school, April 3rd. Editor says one of our prominent young farmers will enter the ranks of the benedictine this spring. SUNBURY CO. BLISSVILLE. BLISSVILLE, March 9—By the death of Mr Ralph Seely, which occurred at his residence on Sunday morning, the 5th inst, Blissville loses one of its oldest and most respected residents. Mr Seely was a son of Loyalist parentage, his father having settled in this parish many years ago. He was the youngest son and last survivor of a large family. His wife was Miss Mitchell, of Lincoln, who preceded him to the better land some years ago. Mr and Mrs Seely raised a large family but most of their children have died. Mr Arthur Seely, of Woodstock, and Mrs David Seely of this place, are son and daughter of deceased. Mr Seely was a most successful farmer, in which business he amassed considerable wealth. He was of most kindly and upright disposition, and was loved and respected by every person in the community. Mr Seely's funeral took place on Tuesday afternoon, and although the weather was not at all ideal, he was followed to the grave by a large number of relatives and friends. The funeral sermon was

WESTMORLAND. DORCHESTER. DORCHESTER, March 10—The centenary investigation is still in progress. Lorenzo Chambers, a guard, has been giving evidence for the last two or three days. A house situated near Rockland bridge, owned by Thomas Burton, was burned the other day. The fire is said to have caught from a defective flue. Mr Burton had not recently purchased the house from a gentleman in Moncton. I understand there was no insurance on the building. Master H L Landry, of St Joseph College, visited his parents yesterday. Chas Cole, son of Mr Alex Cole, has gone to Moncton to work in the O R machine shop there. The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse, and would keep me awake a greater part of the night. I consulted doctor after doctor. None knew what the trouble was. I concluded I would have to go to a Chinaman hospital before I would get relief. My wife finally prevailed upon me to try CUTICUR. I tried it. What a change. I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years. Sept. 11, 1898. H. DENKERS, M. JACOBS, ST. CROIX, N.B. Sold throughout the world.
