FREDERICTON.

Fredericton, July 18—(Special)—Albert J. Best, who was the chief witness in the Marsten alleged murder case at Meductic, has been drinking freely of late, and the other day went into the blacksmith shop of W. H. Dickinson, and assaulted that gentleman The latter had a red hot iron rod in the forge, and in self-denfence thrust it at Best, striking him in the eye and completely destroying the sight. Mr. Dickinson went further, for he preferred a charge of assault against Best, and the mgaistrate has fined Best \$20. His spree therefore cost him an eye and \$20.

There was a very severe electrical storm at Pokiok Settlement on Wednesday night, destroying much of the crops. A steer was killed by the lightning.

The river rose six inches here today,

with grief. His little girl, who is about five years old, will inherit \$3,000 when she

through Carleton county, where he addrivers and successfully inaugurated several meetings of farmers and dairymen and successfully inaugurated several farmers' institutes in that county. Mr. Peters speaks of the crops in Carleton as being in splendid condition but strips were almost entirely destroyed by the immense hail storm which visited that county on Wednesday night last.

Moncton, July 16—(Special)—Committees from B. of L. E. and B. of L. F. on the Intercolonial are here interviewing I. C. R. management with view to the adoption of a new schedule increasing the pay of drivers and figuren. The delegation is composed of representatives from all over the road.

Conductors and brakemen have had a similar schedule before the management for some time.

Wednesday night last.
George Treadwell, a well known resident of Maugerville, is suffering from blood poisoning, the result of a mosquito bite which he received ten days ago. The mosquito bit him on the back of the right hand and he killed him in the act, the stinger staying in the bite. Next day his arm began to swell and he has been suffering ever since. He still has to carry his arm in a sling, the hand being still

Conductor William Hagerman, of the Fredericton branch, made his last run tofor some years, succeeds him.

Mrs. and Mrs. Gillespie, of Hillsboro, who have been visiting Mrs. Gillespie's other, Mrs. Daley, have returned home. The new carding mill which is being erected by Watson E. Reid, is nearing completion. Gasoline will be the motive power used. The machinery will go in

Rev. Hunter Boyd, of St. Andrews, oc-

cupied the pulpit of the Presbyterian church on Sunday evening.

Mrs. James McRae has two of her daughters, of Bangor, (Me.), paying her visit.
Mrs. Gains Wilband, of Midway, aged Mrs. Gains William, of after a linger-40 years, died last Sunday after a lingering illness. The funeral took place Wednesday and was largely attended. A husband and four children survive her.

HALIFAX.

Halifax, N. S., July 19—(Special)—Nor man Lucas, a colored boy residing at Lu-casville, sixteen years of age, attempted to pick cartridges from a revolver the morning, with the result that a bullet crashed through his head killing him in-

has been raging here since noon today.
The French admiral's ship La Tage, arrived here Saturday night from New York and will remain ten days.

The Furness liners St. John City, from London, and Evangeline, from St. John arrived today.

AMHERST.

Amherst, July 18-Four petty burglaries at Riber Hebert was the record of Thursday night, evidently the work of amateurs. The stores entered were those of John Porter, who lost four watches, a number of cheap chains and small silver; A. J. McDonald's, entered by ladder to top flat, istered letter containing \$50 was undisturbed, although lying with the cash taken The following wills have been probated: W. D. Main, late collector of customs, estate valued at \$20,000. The whole inco of his real and personal property is be queathed to his wife during her life, sub will receive the homestead and all land married daughter is to receive \$2,000, the remaining children. After Mrs. Main's death the furniture and books are to be sold and \$200 of the funds paid to St. Stephen's Presbyterian church. The executors are C. H. Main, G. N. Main and Archibald McColl.

The will of Hon. Senator Dickey was al so probated, the estate being valued at \$6,000. All his real estate goes to his son, James A. Dickey, C. E.; \$200 is bequeathed to St. Stephen's Presbyterian church and \$200 to his niece, Mrs. Ellen Burt, the residue to be divided between his three children—James A., Ellen and Mary. Jas. A. Dickey is executor.

Ex-Councillor Ephriam Howard's will was also probated. His estate is valued at

\$20,000, divided omong his family. His three sons-William, Vent. and Edward, re the executors.

J. E. Hamilton, late manager of W. II Johnson's Amherst branch, has severed his connection with that house to accept he superintendency of agencies for the

& Piano Co., of Montreal, with headquarters at St. John (N.B.). This is a splendid position and while Amherst is sorry to loose Mr. Hamilton he is to be congratulated on securing this appointment For the present Mrs. Hamilton and family

will remain in Amherst.

The condition of Rev. D. McGregor, pas tor of St. Stephen's church, remains un changed and little hopes are entertained of his recovery.

SYDNEY.

Sydney, N. S., July 17-(Special)-Thi morning when the American steam yach Haida, owned by Colonel Max C. Fleisch man, was passing through the open draw of the Grand Narrows bridge her captain attempted to pass through the channel with the result that the yacht ran aground in the shallow water and remained hard and fast until 1 o'clock. The steamer Bluehill arrived at the bridge short y after the Haida went ashore and made several attempts to float her, but without success. By this time the fast freight, the early express and the freight from Sydney had arrived at Grand Narrows and all trains were stalled at that place, unable to cross were stalled at that place, unable to cross the bridge. An auxiliary train was sent out from Sydney. After about an hour's work with a locomotive and blocks and tackle the yacht was finally pulled off and the draw closed. Traffic was resumed immediately and all the stalled trains were received as soon as received. moved as soon as possi

A Dominion Iron & Steel Company's brakeman, S. Edmunds, had his back broken and one of his arms taken off while at work near the open hearth furnaces this morning. Edmunds was engaged throwing a switch and while opening the lever he was struck by the oil boxes of his locomotive and knocked down, the wheels of the engine passing over one of his arms. When picked up it was found that his back was also broken. He was taken to the Brooklands hospital in the ambulance, where he died in a few hours. He was a where he died in a few hours. He was a native of Newfoundland.

DIGBY.

Digby, July 17-J. M. Viets, customs of Dighy, July 17—J. M. Viets, customs of-ficer, has sold his home and property, Warwick street, to Rev. Jabez Appleby, pastor of the Methodist church at Rose Bay, Lunenburg county. Mr. Viets has purchased J. A. Clinton's property, Birch street. Sus Dicion points to men in the neighborhood A fierce contest over the repeal of the And removing glass from window and walking down to lower flat, a revolver and small amount of each was all that was missed. Angus McDonald's door was fored open. Loss, one pair boots. Alder Pugsley's was entered through a window. About \$2 in each was taken, while a registered letter containing \$50 are working for its repeal and the county are campaigning in its favor. The contest will be keen and bitter.

"RETURN BOER BIBLES," London, July 16.-Lord Roberts has ad dressed an official memorandum to all offi-cers and soldiers, including members of the Canadian contingents, urging them to return all Boer family Bibles of which they

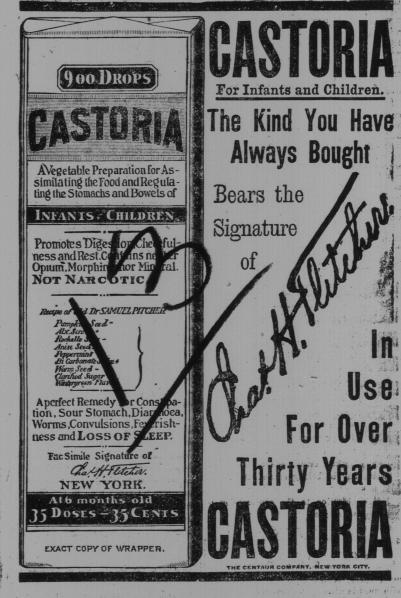

may have come into posses ...
In the course of his mean andum the ommander-in-chief says:"It appears that the Boer inhabitant of the South African colonies set grea store by their family Bibles, which often and even in some cases are the only re pository of such records, in consequence of the unavoidable destruction of church

"Lord Roberts feels sure that if any pe

sons have in their possession any of the Bibles they will willingly return them who they learn how they are valued by their former possessors; and he thinks it un necessary to emphasize how much such a kindly act would be appreciated by our new fellow-subjects.

'Lord Roberts feels sure that the above wish that all such relies should find their way back to their former owners, will be sufficient to insure that their present own ers, however much they may value them

Falschood, dishonesty, fraud and debar chery follow in the wake of indolence.

SACKVILLE SCHOOL

now 165. The interest on the part of the students is very gratifying.
On Friday, 17th, Miss Martha K. Lawon Friday, Iral, anss Martha K. Law-son's subject was Lesson Construction, which the continued on Saturday morn-ing. She showed very clearly how one truth only should be selected for each lesaway from fairy tales, and prefens stories and illustrations from actual experience, truth only should be selected for each lesson, and that taught to the children in such a way as to arouse their interest in the truth, and lead to an expression of it in their own lives. As a practical of the description of the first own lives. As a practical of the control of the in their own lives. As a practical little tration Miss Lewson took the lesson for Sunday, 19th, analyzed it, and showed how it should be built up and prepared for the speaker contradicted the play of boys and girls and showed how it in each case filled

little ones.

Prof. E. P. St. John, continued his lectures on Child Study and Religious Pedagogy, leading at this time through the primary period. He showed how out teaching often failed by our lack of understanding of the child and his capabilities. The child's vocability is very small, and from our way of words which he capacity is compared. from our use of words which he cannot the evening, old and young were canoren understand he gets many mistaken ideas. once more and with Miss Lawson as lead-Prof. St. John showed clearly the value of the play and dramatic instinct in the child. Anger had its place as a virtue in the life of primitive man. Nature's method is not to destroy but to transform, so we should aim to develop in the child the higher forms of anger.

In this lecture on temperament and train-

little ones.

ng, he clearly defined two general classes i children—the active and the thoughtand gave some practical suggestions as to how each one might be treated. Miss Lawson gave a most interesting talk on the use of pictures for the chil-dren. She showed different kinds and suggested methods of their use in teaching then to the great delight of all present showed how beautifully the life of nature might be brought into our teaching, using birds' nests, cocoons, flowers, seeds, etc., and closed with the presentation of a ple nature lesson. Friday evening, Rev. Dr. Paisly gave a lecture on Methodism and its outlook. Saturday morning Mrs. Stuart Muir-head continued her work on supplemental

Prof. St. John took up the Religious Pedagogy of Boyhood and Girlhood. He stated that there was no clearly defined line between early childhood or the primary, and this stage. The physical characteristics of this characteristics of this characteristics of this characteristics.

teristics of this stage—from 8 to 12 years—were slow growth and good health. Memory is most receptive at this period, and if we explain clearly that which is to be learned, the memorizing will be

easier, and the truth will not have to be

or the later vocations of life. He empha sized strongly the spontaneous plays, and the elimination of all plays which in the end must lead to the perversion of the moral sense. Saturday afternoon was spent in a pleasant excursion to old Fort Cumberland. In

er played kindengarten games, to the un-bounded delight of all. This was to show how such games might be used for children's socials. dren's socials.

Sunday morning Prof. St. John preached in the Methodist church. At 2.30 p.m., he took up the lesson for Sunday, July 26, as he would present it to intermediates and seniors. At 3.30 Miss Lawson conducted a model arimany decrease. and seniors. At 3.30 miss lawson conducted a model primary department session, using all the students as her echolars. In the evening Rev. J. C. Berrie preached in the Methodist church.

Whitaker Wright Surrendered.

Washington, July 20-Acting Secretary Whitaker Wright, the London promoter, charged with large financial irregularities

Head gardener (giving orders to newly-appointed workman)—"Noo, John, the first thing ye'll dae every morning is to gie the rakes a guid walk doon tae the big hoose."

the time. The doctor gave her up; in fact, I did so myself. "I finally decided to try Dr. Fowler's Wild Strawberry. I procured a bottle and it did her so much good that I got another bottle and by the time it was finished she was completely cured. As for myself, it has saved me from inflammation of the bowels several times. I always keep a bottle in the house and cannot recommend it too highly."
