

The Committee has pleasure in stating that the financial affairs of the Society continue in a very prosperous condition, the funded assets amounting to \$14,456.92.

We regret to have to state that death has given us cause to mourn the loss of Mr. J. Greaves Clapham, a life member since 1845, and Messrs. W. Dyer and Edward Holloway, ordinary members.

Three (3) new members have been added to our roll.

The resident membership now stands at 128, of which 57 are life members.

We are happy to state that great interest in the affairs of the Society continue by members, as evidenced by the large attendance at its meetings.

The second instalment of \$50, on the purchase of additional lot in Mount Hermon Cemetery, was duly paid, as shown in Treasurer's report; in view of the large balance to credit of Society by Treasurer's report, your Committee would suggest the consideration to their successors, of the advisability of paying at once to the cemetery, the balance of \$100 for new lot and secure a deed therefor in proper form.

The whole respectfully submitted.

E. J. HALE,
President.

E. T. NESBITT,
Secretary.
