Tecumsehs Win Second Battle

LONDONERS SHOW COMPLETE REVERSAL OF FORM—

SCORE 8-1
The Tecumsehs were on the warpath yesterday. Big Chief Hagel held a Council of War after Monday's battle and after passing around the pipe of peace following a heart to heart talk, the Indians sharpened their trusty "tommyhawks" for the second skirmish of the series, sailed right into the Beaver camp and completely routed the enemy.

Brave Gero was selected to lead the attack and aided by the spirited work of his fellow tribesmen, succeeded in making short work of the enemy, taking Sharpe's scalp after a brief engagement.

It wasn't exactly the sort of battle that local followers expected to witness after the previous day's encounter which was featured by quick action.

Monday's battle was errorless, there was plenty of snap throughout, every inning and a good game to watch. Yesterday's affair was a marked contrast. Supported by very tame fielding, and lacking the proper punch when a hit meant a run, the Beavers were forced to sip the bitter cup of defeat due mainly to their sins of commission.

Sharpe opened the engagement by smartly striking out Mitchell the first batter up but he had so much stuff on the ball that Harrison could not hold it. Mitchell made a bee line for first and came near hitting McCutcheon's house in his throw over first. Mitchell kept on traveling unmolested to second and perched safely on the home plate after Vermily crack-out a single. Eight men faced Sharpe before the side was retired, three of whom made the complete circuit.

Manager Hagel shifted his line-up almost top-survey and the change was evidently a change for the better. Hagel himself stepped out in favor of Koster who took his place in right field.

The three-run gift of the first inning gingered up the entire London outfit and they performed like a peppery lot of youngsters. The Beavers never had a chance to overcome the lead, so that the game was virtually over in the first inning.

Sharpe took his turn in the box for five innings but his tendency to cut the plate to the Tecumsehs' liking, resulted in his being sent to the showers. He was succeeded by a Brundy, a newcomer whose home is in Oregon.

Mr. Brundy had a liking for getting into deep water and swimming out again. He filled the bases every inning of his tenure on the mound, but succeeded in slipping through harmlessly for two periods, once with no one out, but let one man get by in the eighth inning. He was a little wild, however, but is worth hanging onto as the lad looks promising. With a little control and good coaching, he ought to develop into a valuable man.

McBrine's Withdraw Inter-County Protest

STRATFORD THREATENED TO DROP OUT—PLAYERS RE-INSTATED

Threatening to drop out of the Inter-County League unless their forfeited game against McBrine's in the Classic City last Saturday, was allowed, the Stratford delegation at the meeting of the executive last evening dead-locked matters temporarily, until McBrine's finally consented to withdraw their protest allow the contest to stand as a Stratford victory.

The home-umpire rule also came up for considerable criticism and after a lengthy discussion, it was decided to give it another four weeks' trial and if the work of the arbiters does not show

improvement in that time, the rule will be suspended.

Secretary Sturm received a wire from Secretary Walker of the Ontario Baseball Association notifying him of the reinstatement of Players Kindman, Coleman and Shortread of the Galt Club.

The Stratford contingent also put in a claim for expenses as well as the forfeiture of the game scheduled at Stratford on May 28th when the Galt Club did not put in an appearance for the contest. The Galt team were on their way to the Classic City at the time, when the car in which they were driving broke down, rendering it impossible for them to appear in time to play. After considering the matter, the claim was disallowed, and the game will be played at a later date.

Each club had a representative at the meeting.

ON THE SIDE

Kyle and Nicholson each had a big day at the bat, a two-bagger and three singles being Kyle's contribution, while Nicholson hit safely on three occasions.

Knotty Lee has purchased outfielder Lotshaw from Flint. Reeves has also been added to the Red Sox roster.

Pettinger at third base, featured with his hitting and fielding. He also showed plenty of pep and created a lot of amusement with his rapid-fire talk.

Both the Beavers and Tecumsehs are in-and-outers. One day they look like world beaters and the next like sandlotters.

Glazier held Brantford to one hit behind the dyke yesterday, winning a tight contest, 1-0. It was the third successive shut-out Brantford has suffered.

Nicholson made a flying one handed spear of a long hit in the fourth that was easily the fielding feature of the series.

Twilight ball was inaugurated in Flint yesterday with very satisfactory results, the attendance showing a marked increase over the afternoon attendance. The Halligans took the Custers into camp in a slugging beat, winning 7-1.

Bay City set up an attendance record for the rest of the league clubs to aim at when they played to 10,000 wildly enthusiastic fans, against the leading Saginaw Aces. Fairwell started for the Wolves and was derided in the fourth after allowing four runs to cross. Watson who succeeded held the visitors for one run for the remainder of the game. Bay City scored twice in the fifth and sixth, but Manager Wetzell took no chance on losing and sent in Wismer to replace Shriver. He held the locals harmless for the remaining three innings.

A BIG GAME TONIGHT AT GUELPH

"The ball game to be played on Wednesday evening at the Exhibition grounds between the Partridge Inter-County League team and Kitchener promises to be the real big game of the season and is creating a lot of interest. At Kitchener the local team was badly defeated, but they have strengthened up since then and now lead the league. On this game will depend to a great extent which team will win out in this league and the Partridge boys are taking no chance. The game will begin promptly at 6.30 p.m. Guelph Herald.

SPECIAL CONSIDERATION SHOT BY FORCE IN WINNIPEG

OFFICER WAS NOT A WINNIPEG, Man., June 10. (Plewman).—Events yesterday in Winnipeg yesterday were not of a pleasant nature at a settlement, made by the great Canadian railway hoods broke down completely to a refusal of the metal to accept the mediocrity of collective bargaining. A special foot constable wearing a distinguishing armband and shot in the head by four special constables, and a couple of hundred strikers, head of the police force, was years in city's service, was Deputy-Chief Newton and acting chief.

The day was, as a whole, and rain which fell in the afternoon helped to clear the air. Many special police were in a building near Portage Avenue, ready to deal firmly with rioters. The writer saw a couple of hundred strikers, head of the police force, was years in city's service, was Deputy-Chief Newton and acting chief.
