HOW IS THIS?

Something unique even in these days of mam-
moth premium offers is the latest effort of
Stafford's Magazine, a New York monthly of
home and general reading.

The proposition is to send the Magazine one
year for one dollar, the regular subscription
price, and in addition to send to each subscriber
fifty-two complete novels during the twelve
months; one each week.

Think of it! You receive a new and complete
novel, by mail, postpaid, every week for fifty-
two weeks, and in addition you get the Maga-
zine once a month for twelve months, all for one
dollar. It is an offer which the publishers can
only afford to make in the confident expectation
of getting a hundred thousand new subscribers.
Among the authors in the coming series are
Wilkie Collins, Walter Besant, Mrs. Oliphant,
Mary Cecil Hay, Florence Marryat, Anthony
Trollope, A. Conan Doyle, Miss Braddon, Cap-
tain Marryat, Miss Thackeray, and Jules Verne.
If you wish to take advantage of this unusual
opportunity, send one dollar for Stafford's Maga-
zine, one year. Your first copy of the Magazine,
and your first number of the fifty-two novels
(one each week) which you are to receive during
the year, will be sent you by return mail. Remit
by P.O. Order, registered letter, or express.
