

The Autocrat of the Breakfast Table

of the Tea Table, and, in thousands of homes, of the Dinner Table, too, is

BLUE RIBBON TEA

And Why? Because Blue Ribbon Tea is a delightful beverage—healthful—mildly stimulating—pure as the Western breezes—and almost as cheap.

Drink Blue Ribbon Tea for your health's sake. Buy it for your pocket's sake.

And note the new package—a perfect protection against the enemies of good tea—dust and moisture.

A MONEY-BACK GUARANTEE GOES WITH EACH PACKET
