EXCUSE ME FOR

BUT WHY ARE
YOU FISHING?

For the
Halibut.

HA! HA! HA! FOR THE HALIBUT.
HOOT! HOOT! THAT LINE IS AN
ABSOLUTE CLASSIC!

OH, I don't think it's that classic,
Mr. Cartoonist

As a matter of fact, I really
dislike that joke. Look, pal,
I've got a wife and four
buppies to support, the only job
I could get was in this stinking
cartoon, and if I have to be stuck
with it, I'd better get some classier
lines. UNDERSTAND?

And now, here is Mr. Fish
doing the epic soliloquy
from Hamlet...

To be, or not to be, that is
the question: - whether 't is
nobler in the mind, to
suffer the slings
and arrows of
outrageous fortune;
or to take
arms against a
sea of troubles,
and by opposing
end them? To die,
to sleep, no more; and,
by a sleep, to say we end...
