our Congregation, which is the most  
influential in the City, moved into a  
magnificent new Church & our as-  
sociation has for its object the gaining  
& harnessing for useful public service  
of the Congregation's manhood. Our  
Honorary President is the Lt. Gov. of  
the Province, the Hon J. M. Gibson.  
Among our members are the Hon  
J. S. Hendrie, minister in the Cuth-  
and Godt & Messrs Zimmerman  
& Tashwood, candidates in the late  
Election, both of whom, I doubt not,  
you will know. This is enough

to give you an idea of the position  
our men hold in the City. Should  
you be kind enough to accept our  
invitation, we shall throw our meet-  
ing open so that all your many  
admirers in the City may have  
the privilege of hearing you;

As to subject, we are content  
to leave that with yourself. We  
should be glad, however, if you  
could choose some topic which  
has relation to the very important  
national concerns with which you  
have been engaged, & with which we  
are glad to know your connection
