**BUT ONE WAY TO VOTE
FOR TEMPERANCE PEOPLE**

**HON. W. L. M. KING SPEAKS OF
GREAT MORAL ISSUE IN CEN-
TRE SIMCOE.**

(Special Despatch to The Globe.)
Barrie, June 18.—Hon. W. L. Mac-
kenzie King addressed a large meet-
ing here to-night in the Opera
House in favor of Mr. H. E. Jory, the
Liberal candidate in Centre Simcoe.
Mr. King dwelt largely on the abol-
ish-the-bar policy, declaring it to be
a great moral issue, which the people
must carefully judge and vote as their
consciences dictated. In this event,
he said, there was but one way to
vote, and that was for Mr. Rowell
and his policy. Mr. King's address
on the temperance issue was very
much to the point, and showed dis-
tinctly where people advocating tem-
perance could take no other way in
this election but to follow Mr. Rowell.
The speaker also referred to the
extravagance of the Government, the
weaknesses in the Agriculture and
Education Departments, and faulty
administration in the development of
New Ontario.
Mr. E. C. Drury, the well-known
Grange man, and Mr. Jory also made
fighting addresses. Prospects are
bright in Simcoe, and the Liberals and
temperance people are fighting with a
determination that gives good pro-
mise of success on June 29.
