June 23, 1931.

Senator E. D. Smith,  
Winona, Ontario.

Dear Senator Smith:

I have your letter of 20th. As stated over the 'phone to-day, the subject was brought up at the meeting by myself, and I feel very confident that the Commission is disposed to deal in the fairest possible way with you, and the matter is entirely under the charge of the Chief Engineers' Department.

Yours very truly,

AM/E.

Arthur Meighen.
