My dear Dr. Scott:

I am very interested indeed to receive your letter of January 10th and will be glad to do anything I can to assist you in obtaining such an appointment as you have referred to. After thinking it over, though, it seems to me it would be better for you to write Bob Coats yourself. He will have quite a little to do with the selection I would think, that is, unless it is taken quite out of his hands, and I feel sure he would be immediately impressed with your exceptional qualifications. If you are writing to him let me know, and I will follow your letter up with one from myself.

Yours very truly,

Dr. A. M. Scott,
