Ottawa, 28th May, 1904.

Sir -

I beg to acknowledge the receipt of your letter of the 14th instant, No. 127, enclosing return of food supplies, cattle, etc., for March Quarter last, and in reply to inform you that the cattle return for December Quarter showed four (4) two year old heifers and no bull calves on hand at the end of that Quarter, whereas the March Quarter return shows two (2) two year old heifers and one bull calf on hand at that date. Be good enough to explain this discrepancy.

Your obedient servant,

Secretary.
