for "Ung. Hydrarg Ox. Flav." 70 cents being added to the authorized list price for flavoring which appears high and should be explained. You should bring the above to the attention of Mr. Mitchell with a view of his making reductions.

I have also to call your attention to several errors in this account which indicate that it was not properly examined before being sent forward, and I have to request that in future you will have all accounts carefully checked before leaving your office and they should bear the initials of the Clerk who examines them.

Your obedient servant,

Asst. Deputy and Secretary.
