Cross man

Pfc Anderson has been on
Fatigues and has not been
attending the Normal Parade,
but this was a special parade
for checking. The officer did
not warn the men for this
Parade. I warned them
myself at approx 1800 hrs 16 Aug
and Pfc Anderson was there.
I definitely warned all where
and when the parade was
to take place. I called the
roll the next morning and
Pfc Anderson was absent.
