

## ASSOCIATION OF PRAYER AND WORK FOR THE DIOCESE OF QU'APPELLE.

*President*, BISHOP ANSON. *General Secretary*, CANON LIDDELL.

*Object*: To aid the work of the Church in the Diocese of Qu'Appelle.

*One Rule of Membership*: Daily prayer for Foreign Missions, including Qu'Appelle.

Members may help the Mission by (1) Subscribing, (2) Collecting, (3) Working, (4) Writing and sending papers, &c., to the workers in the Diocese, (5) Taking in and distributing the Occasional Papers, (6) Interesting others in the Mission.

It is not *necessary* but *desirable* that Members should (a) communicate on St. John Baptist's Day, and (b) be admitted with a simple form of prayer to be found in the Manual (price 3d.), which can be obtained from the General Secretary.

It is also desirable that they should be present at the Annual Meeting on St. John Baptist's Day, June 24th.

Lists of Members should be sent to the General Secretary by Local Secretaries and Lady Correspondents every January.

The only alterations in the rules of the Association have been made in the direction of simplicity, and to emphasize the fact that the work of the Association is based on prayer, and not on the mere subscription of money. Prayer, if it is real and earnest, will produce and bless the giving of money, but money will not always mean prayer as well, and money without prayer is not Christian alms-giving, and lacks a blessing. Let us call to mind the money box of the old negro woman, in which each penny was so "loadened up with prayers" that she believed it weighed double.

A new edition of the Manual has been printed which, except the name of the Bishop, is identical with those already in the hands of Members.

The General Secretary has also a large number of leaflets and prayers for putting into Common prayer books, or into letters to friends.

He takes this opportunity of thanking all who are praying or working for the Mission, and will be glad at any time to receive at his address (St. Albans) the names of any who are likely to be interested in the work, especially those in England who have relations in the province of Assiniboia.
