EXCURSION DAY AT THE ONTARIO AGRICULTURAL COLLEGE, GUELPH.

A trip to the College in June makes as pleasant an outing as one could wish for and those who go are entertained right royally by the genial President and his efficient staff. Not only is it a day of enjoyment but there is much to be learned as well during a visit at this institution. Take a day off this month and go to Guelph on the Farmers' Institute Excursion that goes from your district.
