These Barns are Fire and Storm-Proof

Are yours, Mr. Reader? Sometimes your whole fortune is stored in those buildings. Fire and Lightning are no respectors of persons. "Galt" Galvanized Steel Roofing and Siding are the best Fire Insurance Policy ever issued. A prevention is better than a cure—don't forget that. The new "Galt" Shingle with its patented Gale-proof Closed-end Side-lock and continuous interlocking and over-lapping bottom lock, absolutely defies wind, rain or snow to penetrate or injure it. Covered nailing flanges at both top and sides insure a tenacious grip of the sheathing, which no gale can loosen.

The handsome Gothic Tile pattern warrants their use on the best buildings. "Galt" Corrugated Steel Sheets are the best made. Straight, true, close-fitting corrugations make a weather-tight roof—fire and lightning proof at the cost of a wood roof. All "Galt" Galvanized products are made from the Best British Galvanized Steel Sheets which will last a lifetime. Don't accept inferior goods—the "Galt Kind" cost no more than the others. Our free Catalogue "B-3" tells about these goods.

THE "BT" LITTER CARRIER

Note the double purchase in lifting and the simplicity in construction.

No machine on the farm is used as many days in the year, or saves as much hard, disagreeable work as a Litter Carrier. A boy can fill, wind up and push out in a "BT" LITTER CARRIER four barrows of manure with ease, no matter how much mud or snow there is in the yard. The manure can then be dumped into a wagon or sleigh, and put directly on the land, with very little if any more labor and time than is required to pile it in the yard with the old method, where the greater part of the fertilizing value of the manure is wasted.

Write for free catalogue showing best method of erecting Litter Carriers, and telling why you should buy a "BT" LITTER CARRIER.
