“Vaseline” Hair Tonic

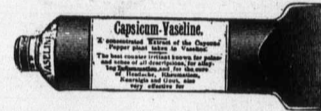

The Word “VASELINE” is our Registered Trade Mark.

A liquid preparation of Petroleum delicately perfumed for preserving and restoring the strength, vitality and beauty of the hair. It will prevent dandruff and keep the scalp clean, sweet and healthful. In severe cases, where the hair falls out in handfuls, treatment with the Tonic should be frequently repeated. The effect will be marked from the first application—the hair will gradually cease to fall out, and a luxuriant growth be established.
