COMPARE

THESE

1897.

THESE TWO CUTS TELL YOU:—

- 1st.—That the demand for McLaughlin "One Grade only and that the Best" Carriages, etc., has so increased that we have been obliged to make the large addition as illustrated above.
- 2nd.—That we will be in a position to ship promptly during coming season.
- 3rd.—That with greater interest at stake, we will be very jealous of our reputation, and so turn out of our factory not a single vehicle which will injure the good name which we have been establishing for many years.

We thank you for past patronage. We have new lines for coming season and solicit your trade for 1897. We keep right up-to-date:

R. McLAUGHLIN,

G. W. McLAUGHLIN,

R. S. McLAUGHLIN,
