**OTTER CREEK**

We are sorry to hear that Mr. Angus  
McPhail is ill again.

People are waiting patiently for their  
small turnips to grow large enough to  
take up.

We are very sorry to learn that Mrs.  
J. Hundt has not yet recovered from  
her long illness.

Mr. and Mrs. Adam Seegmiller, who  
are to the States on a visit are expected  
back this week.

Messrs. J. Hundt, J. Smith and J.  
Steinmiller were out hunting on Satur-  
day and got seven rabbits.

Potatoes are a great crop in this lo-  
cality. Mr. Alex. McKay obtained ten  
waggon loads from one acre and a quar-  
ter.

Mr. Jacob Steinmiller is turning  
the old cheese factory into a store  
house. He intends buying peas and  
oats this winter.

**Trip to Michigan.**

MR. EDITOR,  
Dear Sir,—Having taken a trip  
through Michigan, I thought it might  
be of interest to your readers to give a  
description of my trip.

We left Mildmay on the morning  
train on Thursday, 3rd inst. and pro-  
ceeded to Bad Axe, where we remained all night.

The next morning we left for Elkton  
where we stayed for a week taking in  
the surrounding country. Each day  
we drove over twenty miles and saw a  
large amount of country.

Elkton is a very thrifty place. Nine  
years ago there was no vestage of a  
town, but at the present time there is  
in the neighborhood of nine hundred of  
a population. There are in the town a  
grist mill, saw mill, planing mill, eleva-  
tors, 4 stores, bank, printing office,  
tailor shop, drug store, 2 churches, in  
fact everything pertaining to a thriving  
town.

The country surrounding this little  
place is very fine, the land being very  
rich. During the past summer the  
farmers over there have had a very suc-  
cessful season, and one farmer told us  
that he had taken four crops of wheat  
off the same field and the last was as  
good as the first crop. It is no uncom-  
mon occurrence for a farmer to raise in  
one season from 35 to 40 bushels of  
wheat per acre; 60 or 70 bushels of  
oats per acre; and 100 bushels of corn  
per acre.

The roots and vegetables were the  
finest we ever saw. One pumpkin that  
we saw measured 2 feet in length and  
16 inches in diameter. Mangolds are  
8 inches in diameter and nearly two  
feet in length.

A number of our people have had a  
very poor opinion of that country, but  
it is utterly false, as any person who  
once visits that country will see for  
themselves. We visited Borne one day  
while out driving and were pleased to  
meet our old friend Wm. Lehman, who  
was a former resident of Mildmay. He  
was looking hale and hearty, in fact,  
looking younger than he did when he  
left here. He is still following his  
old trade as a carpenter and was work-  
ing on an elevator at Pigeon at the  
time.

While over there we met with a large  
number of our old friends who formerly  
resided in Carrick township and they  
would not come back here to live for  
quite a consideration. If any young  
men wish to make a home for them-  
selves I would recommend them to go  
over to Michigan to take up land.

There are thousands of acres over there  
looking for some one to take up. Next  
week we will give a further description  
of our trip.

**W. H. HOLTZMANN.**

Twelve lives were lost by the sinking  
of the French bark Pacificque in collision  
with the American bark Fish Hawk.

Mr. Robert Lamb of Galt was drown-  
ed while duck-shooting in Puslinch Lake.

Hon. Mr. Laurier's meeting at Mer-  
rickville was highly satisfactory in all  
respects.

The formal opening of the arts de-  
partment of the Western University  
takes place at London on Tuesday.

**Christian Endeavor.**

The Christian Endeavor met in the  
Methodist church on Tuesday at the  
usual hour. Rev. Mr. McBain, presi-  
dent, in the chair. The topic for the  
evening was "Christian Patriotism"  
and was opened by the president, there  
being no leader appointed. The at-  
tendance was not overly large. The  
Executive Committee will meet in the  
parsonage Friday evening to select  
leaders for the ensuing six months.

The leaders would like to see a larger  
turnout at these meetings. Come with  
us and we will do you good.

Every person whether member or not  
made welcome.

**Huntingfield.**

John Johnson's house takes on the  
appearance of a new one.

Mr. D. A. Harkness and wife are  
spending their honey moon trip with  
friends down south.

If our population keeps on increasing  
we will have a town. We are getting  
near the right number now.

Rev. Harkness left last week for Ren-  
frew where he has got a situation for  
the winter. He then intends returning  
to Japan.

We wondered why Wat was driving  
around with his good clothes on and a  
smile on his face. The cause was a  
brand new baby boy.

Mr. John Renwick and Mr. George S.  
Inglis returned home from their visit  
through Dumfries. They report the  
crops very light in that district.

A couple of our old residents took in  
the Clifford show last Thursday and  
did not get home till noon on Friday.

This looks bad. What was the cause  
do you think?

Wesley Haskins had a narrow escape  
of being hurt at D. A. Harkness' wed-  
ding. His driver got the upper hand of  
him and made things lively for a while  
but leaving the buggy and its occupants  
unhurt. They got the horse 10 miles  
away the next day.

**COUNTY AND DISTRICT.**

Chesley curling club organized on Fri-  
day evening.

The total amount paid out in prizes  
at the Northern Exhibition was \$1200.25

The annual Walkerton High School  
sports will be held on the bend this  
year.

The annual meeting of the West Bruce  
Liberal Association will be held at Kin-  
cardine on Friday, October 25th.

The farmers of Bruce should not for-  
get the provincial ploughing match to  
be held near Owen Sound on Oct. 23rd.

The Brant Board of Health will op-  
pose the council of Walkerton in drain-  
ing their sewerage into the Saugeen  
River.

The next uniform promotion examina-  
tion for the county of Bruce, will be  
held on Monday and Tuesday Nov. 4th  
and 5th.

Patron Leader Haycock writes Mr.  
Potts that he will be in North Bruce  
about the end of October or beginning  
of November.

The annual convention of the North  
Grey Y. P. S. will be held in Owen  
Sound on Tuesday, Oct. 22. A fine  
programme has been prepared.

The people of Southampton are talk-  
ing at present over the wisdom of erect-  
ing a large flouring mill and adapting  
some system of fire protection. That's  
right we say. Go ahead, Southampton.  
There's nothing like union and enter-  
prise. We don't feel a bit jealous.

The whole family of Mr. P. Cummings  
of Port Elgin, had a close call Saturday  
morning in being nearly poisoned. It  
seems that a little girl in playing about  
the pantry the previous day had got  
hold of "rough on rats" and mixed it up  
with the Oatmeal. After eating porridge  
for breakfast every member of the family  
was taken violently ill. Suitable reme-  
dies were promptly applied and all got  
better in a short time but feeling that  
they had run great risk as a result of  
the childish freak.

**Clifford Fair.**

The annual fair of the Clifford Horti-  
cultural society was held in Clifford on  
Wednesday and Thursday of last week.

There was a grand display of stock and  
judges were kept to work until nearly  
five o'clock. The display in the town  
hall was magnificent, the space allotted  
for exhibits being literally packed.

The ladies department was one mass  
of fancy work of some of the loveliest  
designs we ever saw. This is saying a  
deal, as the display Mildmay had  
was hard to be surpassed, but Clifford  
ladies excel in this line.

There was a large crowd present and  
all seemed to enjoy themselves im-  
mensely.

The merry-go-round was loaded  
every round and both old and young  
were anxious to have a ride on the  
whirly-gig, as some people called it.  
The gate receipts were in excess of last  
year.

A petition against Walkerton sewage  
being allowed to run into the river is in  
circulation among the ratepayers of  
Brant.

The football match between the  
Lestowel and Harriston High School  
clubs on Saturday last resulted in a tie  
each scoring one goal.

Mr. Charles Armstrong is rapidly re-  
building the Teviotdale hotel, and will  
soon be prepared to offer hospitality to  
the travelling community.

The entries this year at Centre Bruce  
Show were about the same as last year,  
amounting to about 2200. The gate re-  
ceipts totalled \$278, which is a little less  
than the receipts from the same source  
in 1894.

The Walkerton District Epworth Lea-  
gue convention will be held in the Meth-  
odist church, Port Elgin, on Wednesday,  
Oct. 30th The Rev. A. C. Crews, of  
Toronto, General Secretary, will be  
present.

On Wednesday John Newcombe and  
son were drawing 8 inch plank from the  
station to the planing factory. They  
threw off one plank and it went farther  
than they intended, striking a driving  
pulley that was running at the rate of  
4,000 revolutions per minute, breaking  
the pulley to pieces and scaring the men  
working in the shop, who now consider  
it miraculous that they were not struck  
by the flying missiles.

On Saturday afternoon a fatal acci-  
dent happened on the farm of Mr. John  
Pengelly, Lot 28, Con. A, Brant, near  
Eden Grove. Mr. Pengelly and his son  
were going into the barn and in open-  
ing the door, the top of it brushed against  
a scaffold on which there were piled  
three loads of oats. The whole came  
down on Mr. Pengelly killing him instan-  
tly. The boy was not so directly  
under it and was hurt, but not seriously.  
It is but a short time since Mr Pengelly  
buried his wife and his own sad taking  
off has cast a gloom over the neighbor-  
hood where the deceased was so well  
and favorably known. The funeral took  
place on Monday afternoon to the Doug-  
las Hill Cemetery and was largely  
attended.

A return of the criminal statistics for  
the County of Bruce, for the year ending  
on the 30th of September, shows that  
during the year there were 81 commit-  
ments to jail and elsewhere. Of these  
17 were laborers, the rest as to occupa-  
tion being variously distributed. The  
most severe penalty was a two year's  
sentence in the Toronto Reformatory  
for boys. 9 were acquitted, one sent  
to the Central Prison for six months, 6  
were let go on suspended sentence, and  
the rest sentenced to short terms in  
jail. As to religion Methodism takes  
the cake, there being no less than 19  
Methodists out of the 81. There were  
6 Presbyterians, 3 Roman Catholics, 1  
Baptist, 1 Lutheran, one Congrega-  
tionalist. All drink whiskey. 12 were  
married, 1 a widow, 1 a widower, and  
the remainder single.

Mulcahy's Block, in the centre of the  
business section of Orillia was burned.

The Schooner Blackbird was seized  
at Campo Bello, N.B., for landing goods  
illegally.
