

THE DARK DAYS OF STOMACH TROUBLE

Obstinate Indigestion Can be Cured by a Fair Use of Dr. Williams' Pink Pills.

No trouble causes more widespread suffering and discomfort than indigestion. The ailment takes various forms. Some victims are ravenous for food; others turn sick and faint at the sight of meals; but as a rule every meal is followed by intense pains in the chest, heartburn, sick headaches, dizziness and shortness of breath. Indigestion assumes an obstinate form because ordinary medicines only subdue its symptoms—but do not cure. So-called predigested food; only make the digestion more sluggish, and ultimately make the trouble take a chronic form.

Dr. Williams' Pink Pills cure indigestion because they go right to the root of the trouble. They make new, rich blood that invigorates weakened organs, thus strengthening the digestive system so that the stomach does its own work. That is the Dr. Williams' way—the rational way—to cure indigestion and the ailments that grow from it. This has been proved time after time in the published cures wrought by Dr. Williams' Pink Pills. Miss Blanche Wallace, Yarmouth, N. S., says:—“I suffered greatly with my head and stomach, and often took fainting spells. I could not retain anything in my stomach and while I naturally craved food I really dreaded mealtime with the pain and discomfort that followed. I tried a number of remedies, but got no relief. My mother was using Dr. Williams' Pink Pills at the time with so much benefit that she induced me to try them. The result was that soon the trouble had passed away, and I have since enjoyed the best of health.”

Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

WHO CARED.

A traveller relates a singular and unpleasant experience he had on one occasion when, in a district unknown to him, he strayed from the right path. To make matters worse, a heavy rain set in. He wandered on through the wet and darkness, and finally in a narrow road came to a house, which was dark. He thumped loudly on the door. There was no answer, so he tried again. This time a window went up.

“Well, who is it?” came in a hoarse voice.

“A friend,” the traveller replied.

“Well, what do you want?”

“I would like to stay here all night.”

“Well, stay there, then!” And the window fell with a bang.

CROSS, SLIPPERS BABIES ARE SICKLY FABLES

When little ones are sleepless and cross it is a sure sign that they are not well. Probably the stomach or the bowels are out of order, or the child may be suffering from teething troubles. Give your baby's Own Tablets and see how quickly the child grows well and sleeps soundly—not the forced sleep of “soothing” medicine but the natural sleep of health. Mrs. Edward Sicord, Mass., Que., says: “I have used your Own Tablets for indigestion and other troubles of children and they always work like a charm. They always keep my little ones well.” Sold by medicine dealers or by mail at 25 cents a box for Dr. Williams' Medicine Co., Brockville, Ont.

The part of the average man's life that isn't spent getting into trouble is spent trying to get out.

CURED IN 6 TO 14 DAYS. PAZO OINTMENT is guaranteed to cure any case of Itching, Blind, Blebby or Protruding Piles in 6 to 14 days or money refunded. 50c.

A GENTLE HINT.

Visitor (at the table)—“So you are a good little girl, Manie, and always makes mamma, your papa says.”

Manie (with a proud consciousness)—“I told you, when I told you for another time, that I never done it.”

Constipation is not a pleasant thing, and it is better to prevent it than to cure it.

“DOWN UNDER.” Many Vessels Entirely Disappear Every Year.

Sailors, whose superstitions proverbially outnumber other people's, consider that every lost vessel from which no wreckage is recovered goes to join the great army of phantom vessels that, like the Flying Dutchman, for ever cruise around, captain, crew, passengers, and all, to the danger of honest seamen and the detriment of shipping. Really, this belief is easily understood—the sea holds so many secrets.

In the year 1889 alone no less than 107 vessels totally disappeared, and are to-day registered as “Fate-unknown”; and Lloyd's reports reveal the astounding fact that, on the average, sixty ships with their entire crews, are annually blotted out from human ken. Historic instances abound. In May, 1850, the Lady Nugent left Madras with 403 souls on board, never to be heard of again. The City of Glasgow, carrying 550 people, met a similar fate in March, 1854; while in the January of '41 the English-American liner President left Maderia for Liverpool, but never arrived. The stories of all these human beings united together in one last hour of agony may well be imagined, but can never be known.

The ships have gone; that is all.

CLEANING LACE CURTAINS.

Lace curtains will not bear rubbing. All the work must be done carefully and gently.

For two pairs of curtains half fill a large tub with warm water and add to it half a pound of soap, which has been shaved fine and dissolved in two quart of boiling water; add also about a gill of household ammonia.

Let the curtains soak in this over night. In the morning soap them well in the water and squeeze it all out, but do not wring the curtains.

Put them into another tub of water, prepared with soap and ammonia, as on the night before; soap them gently in the water, and then, after squeezing out the water, put them in a tub of clean warm water.

Continue to rinse them in fresh tubs of water until there is no trace of soap; next rinse them in water containing bluing.

WON £40,000 IN LOTTERY.

Three Men of Poitiers Drew the Winning Ticket.

The first prize of £40,000 in the second drawing of the French State lottery was won by a baker, his assistant, and a barber, of Poitiers.

A ticket had been bought by the three, who had agreed that if they won less than £2 they should spend it on a Christmas Eve banquet.

The hairdresser only started business eight months ago, when he married the daughter of a police sergeant. He states that his first care will be to provide liberally for his aged father for the rest of his days.

The baker's assistant, an ex-soldier, was extremely excited by his good news, and rushed off to his sweetheart to propose they should be married at once.

CURED HIS RHEUMATISM.

Yarmouth, N.S., June 2nd, 1908.

“I have been bothered with Rheumatism for the past year and have taken a good many kinds of medicine and found no relief for it.

“One day a friend advised me to try Gin Pills, so I did, and after taking only one box of them, I felt like a new man.

“I thought I would write you a few lines to let you know how thankful I am for the relief they gave me, and would advise all sufferers from Rheumatism to get Gin Pills.”

MOTHERS, GIVE THE CHILDREN A CHANCE.

Spanking does not cure child en of bad-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W 720, Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her to-day if your children trouble you in this way. Don't blame the child—the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

FIRE DESTROYS CASH AND VALUABLES.

Quite frequently a heading such as the above strikes one's attention in the papers. How foolish it is of people to keep money in the house that may be destroyed by unexpected fire.

Fire is not the only way in which your money may disappear if kept in the house. Thieves may break through and steal and there are numerous ways in which your hard earned cash may be lost to you forever.

Before the German soldier starts on a long march he rubs his feet with tallow, for his first care is to keep his feet in good condition. If he knew that Dr. Thomas' Electric Oil would be of much better service he would throw away his tallow and pack a few bottles of the Oil in his knapsack. There is nothing like it.

“Pa, what does it mean to be tried by a jury of one's peers?”

“It means, my son, that a man is tried by a jury composed of men who are his equals, or on equality with him, so that they will have no prejudice against him.”

“Then, pa, I s'pose you'd have to be tried by a jury of bald-headed men?”

“That's what Antoine Cotenoire says of Dodd's Kidney Pills.”

They Cured His Diabetes After the Doctors Had Failed to Give Him Relief—What Dodd's Kidney Pills Do and Why.

St. Pie de Guire, Yamaska Co., Que., Jan. 24 (Special).—“That there is one sure cure for deadly Diabetes, and that cure is Dodd's Kidney Pills is proved once more in the case of Mr. Antoine Cotenoire, a well known resident of this place.

“I am thankful I ever heard of Dodd's Kidney Pills.” Mr. Cotenoire states. “They cured me of Diabetes. I suffered with Back-ache. I always felt drowsy. I had severe headaches and my limbs would cramp. I had a dizzy feeling and felt tired in the region of the kidneys, with a dragging heavy sensation across the loins.

“I was treated by the doctors, but got no benefit from them. Then I heard of cures made by Dodd's Kidney Pills, and made up my mind to try them. I took in all three dozen boxes of Dodd's Kidney Pills. To-day I am free from Kidney trouble of all kinds.

“Dodd's Kidney Pills also cured me of stomach trouble from which I suffered for twenty-five years.”

Diabetes is one of the most deadly forms of Kidney Disease. But Dodd's Kidney Pills cure any form of Kidney Disease. They also by curing the Kidneys cure all those diseases that come from disordered Kidneys, such as Rheumatism, Lumbago and Heart Disease.

EASE FOR PILES.

“I Used To Suffer, But—”

This is the experience of a lady who used to suffer from this terrible ailment, but found a cure. The writer is Mrs. E. Foxall, of 97 Scott street, St. Thomas. She says: “I consider it my duty to write of the benefits derived from using Zam-Buk. For some months I was a constant sufferer from bleeding piles. I used a great many ointments, but got no relief until I tried Zam-Buk. It cured me, and I have had no return of the trouble. Since my cure I have advised several others suffering from piles to use Zam-Buk, and in each instance have had satisfactory results.

If you suffer from this ailment apply Zam-Buk at night before retiring, and you will be satisfied with the result! A contributory cause of piles is often constipation, and a mild laxative will greatly aid the operation of Zam-Buk. For fistula, inflamed patches, and sores due to blood poisoning, etc., Zam-Buk is equally effective.

Zam-Buk is also a cure for eczema, ulcers, cuts, burns, bruises, rashes, chapped hands, frost bite, cold sores, bad leg, etc. All druggists and stores sell at 50c box, or post free for price from Zam-Buk Co., Toronto.

It is Wise to Prevent Disorder.—Many causes lead to disorders of the stomach and few are free from them. At the first manifestation that the stomach and liver are not performing their functions, a course of Parmelee's Vegetable Pills should be tried, and it will be found that the digestive organs will speedily resume healthy action. Laxatives and sedatives are so blended in these pills that no other preparation could be so effective as they.

More Like Business.

The three large railway systems are now said to be willing to put up a half million each toward the cost of the Seikirk Centennial if the event is postponed until 1913. That looks more like business. It also looks as though the railways had heard out what they found out whether the Federal Government could be let in for the whole cost of the spree.—Eamonton Bulletin.

Canada is Only Beginning.

The United States is cutting down army expenditure by \$34,000,000 and navy expenditure by \$45,000,000. This shows a wise appreciation of a fortunate position. Our neighbors are too strong to fear aggression, and should be too just to practice it.—Toronto Globe.

ALWAYS SERVICEABLE.

Most pills lose their properties with age. Not so with Parmelee's Vegetable Pills. The pill mass is so compounded that their strength and effectiveness is preserved and the pills can be carried anywhere without fear of losing their potency. This is a quality that few pills possess. Some pills lost their power, but not so with Parmelee's. They will maintain their freshness and potency for a long time.

Mr. G. D. Colwell, of Walkerville, Ont. was stricken down with La Grippe in 1906 and it left him in very bad condition. He says: “I was all run down and bordering on Consumption. It did marvels for me and brought me back to health in no time, making a new man of me. It fortifies the body against the attacks of La Grippe and is a sure preventive.
