Orcutt Asks Red Sox President for Release

Not Satisfied That He is Able to Play Good Ball—He Will Get Benefit Game on Friday.

Del Orcutt is no longer a member of the Red Sox. Yesterday at his own request he was given his unconditional release by President Nelson and will hear the news with not a word of regret, although it was inevitable. Orcutt has never really recovered from his illness of typhoid fever. He suffered all winter and was unable to shake off the weakened condition, and had suggested to Manager Kane frequently of quitting the latter had great confidence in him. Last year President Nelson re-purchased him outright and it was through this deal that Brantford was able to finish second last year. Orcutt's place at third will be taken by Coose, who it is believed can fill the bill. There are some doubts as to Coose returning to the pitchers box and Manager Kane believes he will develop into a third sacker.

The salary troubles of the Brantford Club are now smoothed over satisfactorily, and the Red Sox are within the \$1400 limit, also carrying 14 players.

Junior Ball

The Maple Leaf baseball club journeyed to Woodstock on Saturday afternoon and played two games Saturday afternoon with the Woodstock Y.M.C.A. senior team. The local boys were defeated to the tune of 6-3 and 3-1. In the first game Blake Harwood pitched for the locals, and in the second game Cleator did the pitching. There was a good attendance at the games.

The local team is far from being satisfied with the treatment they received. A member of the team said that they would receive half the prize money, which they did not get. The diamond is also said to have been very poor.

Juvenile Schedule.
At a meeting held Thursday night at the Y.M.C.A. the following schedule to be played by the teams entered in the Juvenile Baseball League was drawn up:

SPORTING COMMENT

St. Thomas has suspended Eddie Wright, considered the best third baseman in the league, because Wright has been sulking like a school boy and played indifferently.

Now that Brantford is under the salary limit, we want to hear something about the other clubs. There is a faint suggestion that Hamilton has six pitchers, is not anywhere near the limit.

Hamilton plays here to-day, and Berlin will finish the week. It will be Berlin's first appearance here this year. Jo Jo Keenan has two fine pitchers in Bradshaw and Bramble, and there should be an interesting battle when he puts these fellows in against us.

Fans all over the city will wish good luck to Del Orcutt, who is leaving Brantford for his home down East. Orcutt perhaps never was a flashy player, but when he was right he certainly was there. He has always been considered around the Canadian League circuit as a good third baseman. In fact, during the first year he was a star. The benefit on Friday will doubtless prove a big one.

"RUDDY" SAVED THE DAY BOSTON'S LUCKY TALLY

Throw To Home Struck Bat and Connolly Scored the Winning Run.

BOSTON.—Boston won both games of a double-header from New York yesterday, forcing the Giants into fifth place. The scores were: to 0 and 5 to 2. Mathewson and Tyler had a pitchers' battle in the first game which was decided in an unusual way.

In the ninth Maranville singled and Myers sacrificed. Connolly followed with a single, but an accurate throw by Schaefer retired Maranville at the plate. Sweeney then singled to right, dropping his bat as he ran. Connolly raced for home, while Burns made a pretty throw to catch him, but the ball struck Sweeney's bat, came away from the waiting Myers and Connolly scored.

The fine relief pitcher after New York had two runs off Perdue in the second inning, and timely hitting by Boston gave the locals the second game. The scores:—

First game—

New York	0	4	0
Boston	5	1	1

Mathewson and Myers; Tyler and Whaling.

Second game—
New York 0-2, Boston 5-6.
Tessera, Witte and Meyers; Perdue, Rudolph and Whaling.

Senators Helpless Before Eddie Plank; Athletics Won Two
PHILADELPHIA.—Philadelphia won both games of the double-header from Washington yesterday, in rather easy style, the first resulting in a shut-out by 8 to 0, and the second 7 to 1.

In the first game Washington was helpless before Plank. The veteran lefthander allowed but two singles, and but 28 men faced him. Not a Washington base runner passed first base, Philadelphia batted Engle from the box in the third, and while they failed to hit Gallia with any degree of safety, the latter's wildness and a few timely hits gave them four runs in the eighth.

Hughes was batted from the box in the fifth inning of the second game, but Attrack, who succeeded him, checked the Athletics' hitting and run-getting. Bender never had to exert himself. Scores:—

CHICAGO.—Chicago defeated St. Louis 2 to 1 yesterday, and as a re-

sult of New York's double defeat, went into third place. The game was a pitcher's battle between Overall and Sallee, the latter having but one bad inning. Sallee retired in the eighth to allow Evans to bat for him. The score:—

Edward Hitcher Released.
BERLIN, Ont., May 28.—Manager Keenan of the local Canadian League club released Edward Hitcher yesterday and will carry fourteen men on his roster for the balance of the season. Shortstop Getzie, who dislocated his shoulder two weeks ago, will jump into the game in a day or two. Third baseman Bullock will be unable to play for a week owing to a sprained ankle. Negotiations between the London and Berlin managers for the exchange of one of the London pitching staff for Reidy, who is under suspension, failed yesterday.

Notes of Sport Here and There

Umpire Black, who was here on Monday, doesn't look as if he was scared of anybody. He is as big as Red Fisher.

St. Thomas had a lead of five games on Brantford. It's a close race yet.

Reg. Tag day in Brantford, June 7, will be a big day, as the hospital ladies propose to invade the ball park when the league leaders play here.

President Nelson is arranging to bring a flying machine here next week. Which team will go up in the air?

Imagine Boston beating the Giants twice. The great Mathewson was vanquished 1-0 by Tyler.

Who's going to stop St. Thomas? Guess it will have to be Brantford. Mrs. Luther McCarty, after wash-

ing dishes for several years, will get her husband's fortune of \$65,000. But the lawyers remark that she will have to take action at once.

Barry has been benched by Jersey City. At that he has been hitting over .300.

Lou Courtney is playing shortstop again for Lawrence.

Bender and Plank are surely two great pitchers, as evidenced by their work yesterday against Washington.

Hearts of Oak looks like a money winner for Giddings. Another \$1,500 stake was taken down yesterday at the Woodbine.

Arthur Pilkey and Tommy Burns are being committed to stand trial in connection with the death of Luther McCarty. One sure thing is that the fighter's game is killed in the West.

Paris News

(From our own Correspondent)

PARIS, May 28.—The regular monthly meeting of the town council was held Monday night, the only absentee being Ald. Layton. The business before the board was small.

Mr. Richardson was appointed caretaker of King's Ward park at a salary of \$2.00 per week. His duties consist in cutting the grass and destroying any wastepaper, etc.

Mr. John J. Granton, whose little son was drowned a few weeks ago by falling in an uncovered manhole, wrote, asking what compensation the town would allow him, as the accident was due entirely to gross carelessness on the part of the civic employees. On motion of Ald. Faskia and Rehder, the Mayor and Town Solicitor were appointed a committee to interview Mr. Granton and report at the next meeting of the council.

Several street watering petitions were received and granted. In this connection Dr. E. McMillan and six others, asked that the street watering on Grand River Street be discontinued in their section, but the petition asking for it had been sufficient.

Mr. Joseph Bell asked that a crossing be put in to his property on Church street. Referred to sidewalk committee with power to act.

The water commissioners wrote, stating they were taking the necessary steps to prevent the encroachment of the raceway on to Mrs. T. Walton's property.

In a general discussion at the close of the meeting, the action of the L. E. and N. Railway in closing all available gravel pits to the town, came in for some criticism. The action of the railway officials in refusing to meet the council to discuss the question will not react to their own benefit by any means.
