Our Wine Sales Show a **Big Increase Since Sept. 16**

Many persons think that we cannot sell them direct from our Wine House here, but that order must come through some Montreal firm. This is not correct. We can sell you direct, but in not less than one case, or five gallon lots.

We have a good Port Wine at \$4.00 a case, while our "St. Augustine," an excellent Wine, 8 years old, only \$5.50 for one dozen reputed quarts or \$1.80 per Imperial gallon. War tax stamps are included in these prices. We have a score of other brands all excellent value.

HARBOR SCENES AT RIO DE JANEIRO WHERE STEAMER HAMMERSHUS TRIED TO ESCAPE,

Rio de Janiero harbor abounds in rocky eminences as the above pictures will show. One of the forts on the heights, known as Santa Cruz, stopped the escaping Danish vessel, which was going out to provision the German raider, a few well-directed shots from the fort guns causing the ship's officers to hurriedly change their mind and also their course.
