ASKS WHO GETS Y. M. C. A. PROFITS

Editor of Montreal Churchman Not Satisfied With 1917 Balance Sheet

By Courier Leased Wire
Montreal, June 5.—Arthur H. Moore, editor of the Montreal Churchman, in a letter to the press discusses the question of the Y. M. C. A. and the war. He says the Y. M. C. A. balance sheet for 1917 is one of those statements that give practically no information. A disbursement over a million dollars is covered by four items; one of which is a balance on hand.

Public money is being spent, and the Y. M. C. A. will strengthen its hands by granting the G. W. V. A's request for the publication of a complete financial statement. Mr. Moore continues:

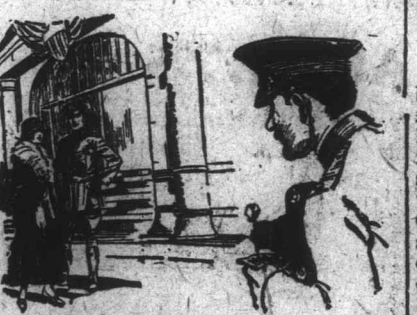

"The Y. M. C. A. is purchasing 200 tons monthly for its canteens with public money, and some parties are enjoying this huge trade. Who gets the profits?"
Mr. Moore, discussing a statement of C. W. Bishop, general secretary of the Y. M. C. A., that though forbidden by the army authorities from wholesale supplies, it had obliged chaplains' canteens, says: "In a previous article on this subject, I might have told of amazing instances at Valcartier camp, one where a responsible officer of a regiment went to the Y. M. C. A. and asked a loan of soft drinks for his men's regimental canteen out of the huge Y. M. C. A. supplies until a contractor, who had failed to deliver, brought in a stock in a day or two. He met the same blunt refusal that greeted a chaplain in Flanders, who went to a Y. M. C. A. but with his men for a Holy Communion service in the early morning when the hut was not in use."

Concluding, Mr. Moore says: "An editor of a religious journal unaccustomed to the literature of gilt-edge prospectuses, may perhaps be pardoned for taking exception to the feature of the information given to the public in the big Y. M. C. A. campaign. It was published in all the papers that the Y. M. C. A. sells useful things to soldiers for their convenience. Profits, if any, all went for the benefit of soldiers. Here is what is actually camouflaged under this most fetching advertisement. The Y. M. C. A. sells hundreds of tons of goods monthly to the soldiers. A profit is charged on everything sold. These profits amounted to \$320,000 in 1917. Against the religious editor finds himself in difficulty in reconciling that 'if any' with the methods of a 'Christian' association."

A fire which broke out in a pile of pulpwood at the Ontario Paper Company's plant near Thorold has already destroyed between \$40,000 and \$50,000 worth of pulpwood.

TOLD OF SPIRIT OF WARRING TEUTONS

Enjoyable and Instructive Lecture in Colborne Street Church Last Night

Dr. J. E. Amos, with his Sunday School Class of young ladies, gave a very graphic, interesting and instructive presentation of the European War in Colborne Street church, last night, to an appreciative audience.

The composition and staging of the play, as well as the giving of it was all done by local talent. The play opened with the cause of the war, and after an exchange of diplomatic correspondence, during which the great nations took sides, the war was brought on. During the progress of the war, a Red Cross scene was presented, following which the nations again appeared, and a wonderful climax on the terrors of war was developed. Neutrality could no longer be maintained, and the United States joined the Allies. After singing the various national anthems of the Allies, the spirit of the Christ came forth, the sign of the cross was raised, the allies gathered around it, dropping their national enmities, and in singing the great international anthem, "All Hail the Power of Jesus Name," and "Crown Him, Lord of All." Special mention ought to be made of Dr. Amos, who took the part of the Kaiser, and gave a most excellent interpretation indeed. The parts were all very well taken. The nations were represented as follows: Austria, by Miss Mitchell; Serbia, by Miss Anne Farley; Russia, by Miss Robinson; Germany, by Dr. J. E. Amos; England, Miss Bessie Johnson; Ireland, Miss Violet Cox; Scotland, Miss Myrtle Elvidge; Belgium, Miss Gladys Elvidge; Canada, Miss Clara Edman; France, Miss Gladys Canfield; Italy, Miss Vera Heaman; Japan, Miss Lila Adams; France, Miss Kerr; Turkey, Miss Margaret Cox, and United States, Mrs. Wesley Linscott and Miss Helen Baldwin.

The Red Cross scene was under the direction of Miss Barrick, assisted by Mrs. Will Turnbull, Miss Beatrice Brown, Miss Ariel Smith and Mrs. Brewer. Miss Gladys Avery represented the Christ, and Mrs. C. F. Logan represented the fealty of the Allies to the banner of the cross. Mrs. J. E. Amos played the accompaniments throughout. The war scene was under the direction of Mr. Lorne Parley and Mr. H. C. Logan. The religious program also included a piano solo by Mr. G. O. White; solos by Miss Hurley, and a reading by Miss Margaret Reid, all of which were very well received. The proceeds were for Belgian Relief work. This was introduced by ten little girls, wearing dresses which were made by the class for Belgian children. They put their claim to song, and were much enjoyed. Mrs. Logan was presented at the close, with a very handsome bouquet of beauty roses for their assistance in preparing the play. The pastor occupied the chair.

began operations by poking the muzzles of their weapons through broken walls, bushes and knocked in the side of houses. The guns were skillfully hidden, and the Germans were unable to locate them. The Germans shelled the town heavily, and the Americans took positions accordingly. Later on the enemy entered the outskirts only to be pounded by the Allied artillery. Over a hilly country, where crops are growing and there are no prepared trenches. When the Americans entered the line the fighting was shifting back and forth like a seething maelstrom. They dug in and went at it like experienced hands.

The battle area presented a peculiar and impressive picture this morning. The correspondent had motored all night in the rear of the front where the low rumble of guns was followed by flashes along the battle line and sharp reports from against a starry sky, which seemed filled with enemy airplanes. There was a lull at dawn, and the clouds melted into silvery patches. The rays of the sun shone upon the battlefield where for a moment it might have been imagined the hell by night had been turned into peace by day.

APPRECIATION OF FIRE DEPARTMENT

Chief Lewis, on behalf of the fire department, has received a check for \$25.00 from residents of Ruth and Mohawk streets and Cockshutt Lane, as a token of appreciation of the service of the department in extinguishing a recent fire which menaced that district. Mr. N. Willits, owner of the barn which burned on this occasion, had also sent the department \$10.00 and Mr. S. A. Wheeler \$5. The chief and members of the fire department are desirous of expressing their sincere appreciation of the donations, which were accompanied by the following letter:

To the Chief and Brantford Firemen
We the residents of Ruth, Mohawk and Cockshutt Lane streets desire to express our most sincere appreciation for your prompt response to the phone call on Monday evening to extinguish the fire in our district. We owe you and your brave men a debt of gratitude for their splendid work in keeping the fire from spreading to the surrounding buildings, otherwise a number of houses would have been burned. Please accept the enclosed amount for the comfort and happiness of the Brantford firemen.
Signed Residents of Ruth and Mohawk and Cockshutt Lane.

Improvements To Library

Last night the public library board met with Col. Howard, Mrs. S. W. Secord, Rev. G. A. Woodside, D. J. Waterous present. The grant from the Ontario Government, \$250, was received and acknowledged. It was decided not to send a delegate from the local library to the summer school at Toronto for library instruction. The finance committee recommended payment of \$442.57 in accounts. The book committee recommended that 327 books be purchased and placed in circulation. The buildings and grounds committee recommended several improvements to the library buildings, namely, that a drinking fountain be placed in the downstairs library, that the children's library be moved into the room now used as a smoking parlor, as there is better heating in the latter room, and that the book shelves where new books are now displayed upstairs be done away with and the books placed in their proper shelves. These changes will be considered at the next meeting of the board on June 25th. This will take the place of the regular July meeting.

DUBLIN PROTESTS SINN FEIN ARRESTS

Resolution Passed by Corporation of City Deploring Action of the Government

Dublin, June 3. (By the Associated Press)—A resolution of protest was adopted by the Dublin Corporation to-day against the arrests of Sinn Fein by the British Government. The text of the resolution reads:

"We hereby enter our emphatic protest against the cowardly and unwarranted action of the British Government in recently arresting and deporting 88 of our fellow countrymen, and women, who are now in imprisonment in England."

"We protest against the cruel and inhuman treatment to which they are being subjected in being refused permission to communicate in any way with relatives and friends, many of whom are in ignorance of the prisoners whereabouts."

May Avoid Conscription.

Dublin, Monday, June 3.—The proclamation issued to-night by the lord-lieutenant asking for 50,000 voluntary recruits, and thereafter two to three thousand monthly to maintain Irish divisions was issued as an opportunity for Ireland to avoid the application of the conscription law passed by parliament. The text of the proclamation follows: "In pursuance to our promise we now make our offer which, if successful will ensure that Ireland will play her part fully and freely in the world struggle for liberty. The offer is that Ireland voluntarily furnish the number of men required to establish her equal status compared with other parts of the empire."

Ireland can be fairly asked to raise 50,000 recruits before October 1 to replenish Irish divisions in the field and thereafter raise from two to three thousand recruits per month to maintain those divisions."

E. J. Materno, Jr., a wealthy New York broker, was sent to the workhouse for driving a car whilst intoxicated.

THE ONLY MEDICINE FOR LITTLE ONES

Once a mother has used Baby's Own Tablets for her little ones she will use nothing else. Their use teaches her they are absolutely safe; that they never fail to give relief and that the little ones do not dread taking them as they do castor oil and other harsh purgatives. Concerning the Tablets, Mrs. John M. Weaver, Blissfield, N.B., says: "I have used Baby's Own Tablets for the past ten years and have found them so good I always keep a box in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

BELGIAN PREMIER QUILTS.

Havre, June 4.—Baron Charles de Broqueville to-day resigned the Belgian premiership. He is succeeded by M. Cooreman. The new premier assumed the portfolio of economics, to which has been attached the ministry of national reconstruction. The resignation of Baron de Broqueville was not due to political dissension but to differences of opinion in regard to advance methods.
