With respect to the Lands on Lot 55, your
Committee recommend that the Government be
authorized to dispose of them, either at Public
or Private Sale, and that the maximum price be
not higher than £30 per hundred acres; and as
in the event of a Public Sale of the Lands on
Lot 55, it is probable the persons attending
such Sale will be those in the vicinity of the
Edward Island, in order to save parties unnecessary
expense in travelling to and attending Sales,
your Committee consider it advisable they
should be held in Georgetown as formely.
Your Committee also recommend
that the
Lands in the Town and Royalty of Georgetown
be classified in accordance with the Report of
the House in its last Session, and be under the
directions of the Government.
