Heads I Win, Tails You Lose.

s to be returned when the bonds re sold. It will be remembered that a opposition in Parliament declarate at this a opposition in Parliament declared at this was a gift and a dead I sa the country. The Grit papers were ed with denunciations of the Govern-

ready to pay the money back the Opposition speakers were honest ten they said it would never be paid or should be glad to find the money not lost. Strange to say they are t. Very few of our Grit contemaries have published the fact. They she to leave their readers under the pression that the contemporaries have their readers under the pression that the contemporaries are the contemporaries. leave their readers under the on that the \$5,000,000 is gone

pression that the \$5,000,000 is gone rever.
But the Toronto Globe has spoken. 'As the bonds are really Canadian gov-nment bonds, and bear interest at five regit, it is not extraordinary that they id at \$6. Fractically the liabilities of the unity are increased three millions by unity are increased three millions to late and taking out the eight millions le, and taking out the eight millions

Let it be understood that there were transactions. By the first the overnment gave the company \$5,000.

O cash, and took from the company

000,000 in the company's bonds. thesecond the Government returned \$8,000,000 bonds, and received the 000,000 cash with c 98000,000 bonds, and received the cool,000 cash with interest. To an dinary business man it would seem at the Government was in the same sition that it would have been if the in had never been made. Yet the an had never been made. Yet the obe asserted that the Government t \$5,000,000 by the first transaction, \$3.000,000 by the second. It is surprising that politicians who and write such foolishness are

Hon- Alexander McKenzie

B EX-LEADER REPORTED TO BE DYING FROM PARALYSIS

Private advices lately received state at the House of Commons Department has received from Hon. Mr. Macazie, a letter enclosing a cheque for a hundred dollars extra sessional awance, which had been forwarded him. The enclosure was accompad by an intimation that illness alone a prevented his returning the money an earlier date. This illness, it is roed from other sources, it so serious at few of his political friends of the serious states. rned from other sources, is so serious it few of his political friends ever extensive to see him in Parliament again, ralysis is slowly but surely obtainthe mastery of one side of his body, it his friends have watched with rm for many months past the outred indications of this disease. A sion was very uncertain, and even en present, in many cases he failed to ognize instantly those whom he knew niliarly in the past. The probabilities that this return of the extra allow-e is due to his high sense of honor I the feeling that his continued ab-ce did not warrant his receiving it,

the Editor of the Herald:)EAR SIR,- The Grit Pow- Wow held ire of the Grits was not to make verts, but to confirm their old folders in the faith. Luis II. Davies I his friend the ex-Governor were din praise of good government and a laws. It will surprise you to what those worthies aided and abetin violating the laws of this country contrary to the law they partook by of oysters at the aforesaid power. The attention of Colonel Duvan alled to this fact, and the necessity and the recessity of the laws of the contrary to the law they partook by of oysters at the aforesaid power. alled to this fact, and the necessity laving a competent Fishery Warden lifton to look after the shell fish is relear. The present officer is too sless and thoroughly incompetent is inability and indifference are sically manifest, and it is high time ay him aside, and when the next Gritter wow is held it is hoped Messrs.

ries and Laird will not so openly ate the law.

Yours truly,

CLIFTON. lew London, Aug. 31, 1885.
