The British Food Controller presiding at a labor conference, said that in the interest of the consumer he had decided to retain control of food during the coming winter. It is expected that by Thursday morning or, at the latest Friday, some 8000 men employed in the Railway shops in Winnipeg who were out in consequence of the sympathetic strike will have returned to work. Field Marshal Sir Douglas Haig, giving evidence before a select committee on pensions in the House of Commons, had some caustic criticisms to make on the deficiencies of the pension system. He said that in many cases discharged officers had been left penniless, that in some cases the medical boards were ignorant of the actual diseases suffered and that many of the boards were lacking in sympathy and generosity. Sir Douglas described the action of the War Office in placing officers on insufficient half pay as inhuman, for on the present allowances the wives and families of officers lived in abject poverty, unable to give proper education to their children. The Field Marshal, it is said, would refuse anything for himself until the demands of the officers and men had been satisfied.

The bonded warehouses on Water Street was broken into either on Monday or Dominion Day. The thieves effected an entrance by cutting an opening through a double brick wall at the rear of the building. Four cases of liquor were taken. Considerable drunkenness was reported on the train going East on Dominion Day and at Mount Stewart among parties from Charlottetown. Whether or not the liquor which put them in this condition was from the stolen supply or not cannot be said definitely but circumstances would point that way. It is apparently so hard to get liquor in Charlottetown just now that some people would go through a brick wall to obtain it. "Stone walls do not a prisoner make," but may later on.

Important Daylight Saving Change of Time
at 2 a.m. Sunday, March 30, 1919

All clocks and watches used in operation of Canadian National Railway will at 2 a.m. Sunday, March 30th, be advanced one hour. To prevent serious confusion and inconvenience to the public the attention of all concerned is directed to the following conditions resulting from the important change of time:

If cities, towns, villages and other municipal bodies do not change their local time to correspond with the new Railway time, all concerned should keep in mind that while trains continue to leave Railway Stations on present schedule, such schedule will be operated one hour ahead of present local time. Therefore any municipality where local time is not changed to correspond with the new Railway time, passengers must reach Railway Station ONE HOUR EARLIER than shown in current folders and public time posters.

Where municipal time is changed to correspond with the new Railway time, passengers will not experience difficulty growing out of the change.

Announcement

For the information of our many patrons, in both town and country, we deem it necessary to announce that the Coal Business, successfully carried on in the past by the late Mr. Charles Lyons, will be continued by the Estate, under the old firm name of C. Lyons & Co. By maintaining a high standard of service and by courteous and honest treatment of the public, this firm has, for a period of more than a quarter of a century, enjoyed a large and ever-increasing patronage; and in announcing our intention of "carrying on," we desire, most earnestly, to give expression to our appreciation thereof. We are deeply grateful to the firm's many patrons for their constant manifestation of confidence in it in the past, and we assure them that if they favor us with a similar evidence of their good-will in future there shall be no economy of effort on our part to make our intercourse both pleasant and profitable to them. As we possess almost unlimited facilities for supplying the coal trade, and as we are desirous of extending our already large business, we respectfully invite the patronage of new customers; and if we succeed in thus increasing our present connection, we guarantee that we shall be indefatigable in our endeavor to justify the confidence of our new friends.

We again thank our patrons for their past generous patronage, and respectfully solicit a renewal of their esteemed custom.

Look! Read! Realize!

We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor!

If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.

WELL, there's where we shine!!
We study the business. We know what suits a young man

we know what suits a middle-aged man, and we know what suits the old gentleman—both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Made-to-Order. We are equally in a position to suit you. We do not let a suit or overcoat leave our establishment until it suits and fits the man who is buying. Our prices are always right when you take the quality into consideration.

Do not forget that we are sole agents for the famous W. H. Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time.

Overcoats, Made-to-Order-from....\$30.00 to \$48.00
