Your Cemetery Plot

May need our attention, to put it in order for the summer months. It may need a MONUMENT or a HEADSTONE. Why not get one from us that will have that artistic effect that will make it look distinctive from every other memorial?
You may have a monument in your plot that has not been attended to for years, so let us put in some work on it and remove the traces of the weather by polishing and painting it again.
You may want another inscription engraved. We attend to all this work during the next few months. A letter or a call at our Showroom will put you in touch with an up-to-date and prompt service that stands for satisfaction.
