Enlarging Its Sphere. of St. James's Lodge of Freemasons

the world where the interests of out by the P.G. Master. There was his efforts to instill the three Rs.— was warned to keep away from the John's. Other maritime cities have rooms of recreation and men who come and go, and bands of workers in their behalf work night and day to aid in the moral and physical uplift of the mariner and to prevent him from stepping into the pathways of temptation, so many of which appear to him during his stay in port. His ship, after a as he usually gets extended leave, particularly at night. when harpies of all sorts are lying in wait for him and his pay roll-and they usually get both—it is time then to take Mrs. Stride, J. Hunt, Miss Cobb. Mrs. facile pen of "Q." has been missed latemeasures to protect the sailor Brown, Mrs. Saunders, Miss Brown ly but rumour says that he is getting from the multitudinous evils and 20 in steerage. The Prospero took in training for Brigade Week. that beset him. He is worthy all the care, all the attention that can be given. It matters not that he may be illiterate or uncouth in manners. All sea- late Mrs. J. A. Whitman, of Harbor men are not, and when we use grace, published in Wednesday's Telethe word seamen, we mean the gram, it is to be regretteed that an men who form the forecastle guard, the firemen's squad and the roustabouts. The officers are in a class by themselves. They have their own friends and the entree to home where the A.B. or ordinary seaman are not received. Thus the latter are left to their own resources and invariably fall a prey to the vamps who wait at the dockgates. A place to go, a place where innocent amusements and games can be indulged in: a place where letters home may be written, where literary matter of an interesting nature may be found, where light refreshments are served, and where the general atmosphere is attractive. That is what the lone seamen need when they come to a strange port, and that we take it is the intention of the man- Donald of Grand Bank:-- "On Wednes- large cargoes by steamers the manager and directors of King day morning. 26th inst., Emanuel kets will be overstocked and the price George V.
