PELLY'S BRICK

THE GLYNN MILLS HOTEL
at CORNER BROOK is faced with Pelly's Brick. Imported Brick were to have been used, but the promoters saw a car load of Pelly's Brick being unloaded at Corner Brook and, recognizing its superior quality actually secured enough of that carload to start up this work until further supplies could be sent them by rail.
Those big brainy Englishmen have given us such an uplift, that we have scrapped all our old methods of manufacture, and put in a modern machine that will still further improve the quality of our Brick.
