BASEBALL.

[Special to The Advertiser.] Hamilton, July 23.—All three pitchers were badly bombarded in today's ball game, but the London fielders gave Lipp good support, while the Hamilton fellows fumbled and muffed and threw wild, and ran bases like schoolboys. London, consequently, had little diffi-culty in winning. The London players in the past have had a good reputation for clean work, but they did a lot of rowdy work today. Ward was put out of the game but he was not the worst offender. Lohman, because Black gave a man safe at the plate, threw the ball out of the field. He was ordered out of the game by Umpire Black, but as London had no other catcher, Black allowed him to resume. London's batsmen hit Friske steadily for five innings, and then he was replaced by Baker, who fared no better, and the hits were so sandwiched with errors that run-making was easy. Friske, too, was very

ture of the game. The score:

The doctors said I had consumption and death was only a matter of time. That was six years ago. I concluded to try your medicine. I continued until I had taken nine bottles of 'Discovery' and several bottles of 'Pellets.' I got well and have done a great deal of hard work since."
