## PHILADELPHIA TIED BROOKLYN

In the Fourth Game of the Match Series.

Irish Football Team Won Easily at Montreal—Turf Events and Other Sporting Matters.

### BASBALL

#### TIED.

Brooklyn, Oct. 21.—Philadelphia won the fourth game of the match series yesterday by better hitting. McJames was knocked out of the box in five innings, and was succeeded by Donovan, who held the Philadelphians down. It was cold, and the Brooklyn fielders raggedly. The series is now tied, and today's game will decide. R. H. E. Brooklyn..... 3 10 4 Philadelphia..... 6 11 2 McJames, Donovan and McGuffee, Fraser and McFarland.

#### FOR THE FANS.

Beaumont, Williams, Barrett, Donlin, McFarland, of Philadelphia, Thomas and Frisbee, are the major league players of the vintage of 1899 who rank among the leading 30 batters of the league this season. Hughes and Orth had the greatest percentage of victories in the National League last season, 824. Hahn was third, and leads in strike-outs. Dunn leads in fielding, and Cy Young in control, having given but 42 bases on balls in 42 games. John T. Brush does not seem to be worrying over the new league, as he has not asked any of the Cincinnati to sign for next year. In Chicago the stars have refused to enter into an agreement with the club, preferring to hold off for the new league. Bo Needham, official scorer at Bennett Park the past season, went out to collect his salary from Manager Van Derbeck yesterday. Van wasn't cashing checks that day, and his excuses didn't please Needham. The argument goes so far that Van's white front was a beautiful carnation before it ended. Needham stated that he had placed his account in the hands of a lawyer, and will sue for \$300, at the rate of \$5 a game.

#### TURF.

ENGLISH EVENTS.  
London, Oct. 21.—At yesterday's racing at Sandown Park, the Temple handicap was won by Flashier. Suppliment finished second and Remember Me was third. Eleven horses ran. Escorial won the Park selling plate. Conroy and Royal Balmis were second and third respectively. Amphlet was

### WINNERS ON OTHER TRACKS.

Hawthorne, Chicago—Alhoa, Andes, Amelia Fonso, Georgie, Fidel Youten, and Ed Tipton.  
Latonia, Cincinnati—Sound Money, Laura C. G. P. Cluettine, Flop and Goodrich. In the evening race at Latonia, Aluvian, ridden by Lowe, turned in the stretch, fell, and young Bell, with Southard, fell over him. Aluvian died from a broken neck, but young Bell escaped injury. The jockeys were not hurt.

#### FOOTBALL.

##### IRISH TEAM WON.

Montreal, Oct. 21.—Over 2,000 people witnessed the exhibition football match between the picked Irish team and a team of the Montreal football club. The visiting team had it pretty much all their own way, and won an easy victory by 20 to 12 points.

#### GRANITES VS. ARGONAUTS.

Kingston, Ont., Oct. 21.—Three thousand people witnessed the match between the Toronto Argonauts and the Granites, of the K. A. A. grounds. The Granites won easily by 27 to 6.

#### KENNEL.

##### N. A. FIELD TRIALS.

The trials of North American Field Trials Club will begin at St. Joachim on Nov. 2. There will be derby and all-aged stakes, open to members only.

#### PISTIC AFFAIRS.

MCCUNE BEATEN BY BENNETT.  
Toronto, Oct. 21.—Jack Bennett, of McKeesport, Pa., easily defeated Tom McCune, of Detroit, in a 20-round fight for the Crescent A. C. here Thursday before three thousand people. It went the limit, but Bennett had the better of it all through.

#### SPORTING NOTES.

During a sparring exhibition at the Hackney Music Hall, London, Tuesday night, "Piedler" Palmer's 7,000-guinea gold and diamond infallible champion belt was stolen.  
The professional champion of the L. A. W. this year is Major Taylor, with 52 points. Tom Butler is second with 42. Charley Porter, of Detroit, ranked ninth with 5 points.  
Leslie E. McLeod, editor of the Trotter and Pacer, and one of the best-known writers on harness horses and racers in the country, died Thursday in New York after a prolonged illness. McLeod was for some years editor of D. J. Campbell's Horseman, and wrote several books about horses.  
William C. Whitney has purchased the Stony Ford stock farm, about eight miles from Middletown, N. Y. At one time men like Gen. Benjamin F. Tracy and William H. Vanderbilt made it a practice to visit Stony Ford periodically to look over the foals with a view to buying. It was at this farm that Electioneer was foaled.

The greatest song writer was Schubert, who produced over 1,200 songs. The Egyptians bestowed great labor on their tombs and little on their homes. They regarded the latter as mere temporary abodes, but the former they looked on as eternal habitations.

LIFE SAVED.—Mr. James Bryson Cameron writes: "I was confined to my bed with inflammation of the lungs and was given up by physicians. A neighbor advised me to try Dr. Thomson's Electric Oil, stating that his wife had used it for a troubling trouble with the best results. Acting on this advice I procured the medicine, and less than half a bottle cured me; I certainly believe it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me good."

Sergt. Duncan McLean, of the Seventh, teller of the Bank of Montreal, and Capt. J. C. Marys, of the Seventh, accountant of the Bank of Montreal, have volunteered for Transvaal service, and will be examined this afternoon at Wolsley Barracks. The Bank of Montreal gives them eight months' leave of absence with full pay.

Capt. Fred Gorman, of the 27th, St. Clair Bordeners, has enlisted in B Company as a private.

Capt. J. C. Marys, of the 22nd Bats., and Lieut. R. M. Temple, of the 45th Highlanders, who have been assigned to B Company of the Canadian contingent as lieutenants, arrived in the city yesterday, and are assisting Capt.

Stuart in the organization of the company. Capt. J. C. Marys, of the 10th Bats., who is first lieutenant of B Company, is expected today.

The examining surgeons say that a larger proportion of the men applying today are meeting the requirements. They are from outside battalions principally, and have already been examined by their local physicians.

The applicants for positions on the Canadian contingent came in a steady stream to Wolsley Barracks yesterday. The medical examiners were kept busily engaged from 9 o'clock in the morning until 6 in the evening. No time could be lost, for many men were waiting outside while one inside was being examined. Dr. Hugh Stevenson conducted the examination in the absence of Dr. Belton, who was sitting on a court-martial. No abatement was made in the severity of the tests, and men who were seemingly in perfect health, fine big fellows, were rejected because of some defect, of which in many cases they had themselves been ignorant. The men stood in batches outside the door, swelling their chests, while they waited their turn to go before the doctors. While outside the faces of the men were clouded with doubt; when they came out, accepted, they were radiant. Some could not contain their happiness, and shook hands all round in their delight at being chosen. No doubt, however, there have been 20 applications made from Wolsley Barracks, but they will not be assigned to companies until later. There are a number of outside battalions still to be heard from. Several officers and men have volunteered from the 25th St. Thomas Battalion, but have not come up for examination. As there are eleven infantry battalions outside of London, besides the First Hussars and the Sixth Battery, this would allow an average of eight men each. As it is at present, the Seventh has already supplied 16 men.

As stated in The Advertiser yesterday, Major Little has insured the lives of the 16 local men upon the 20-year life plan, making the policies payable to the men's relatives. The thoughtful generosity of the major will be appreciated by the public almost as much as by the men.

The ten Windsor men who were examined yesterday said that when they of Windsor they were given a great send-off by the people. While they were at the station the bands played, the whistles on the boats and at the factories were blown, and the crowd sang the national songs, and cheered and cheered again.

The work of enrolling continued today at the various stations. At Halifax the list is nearly 100 strong, exclusive of Halifax officers. The New Brunswick company is now complete. When the medical examining officers engaged in the selection of the Toronto district company of the Transvaal contingent ceased work last evening, 73 out of the 110 required had been examined and provisionally mustered in. The selecting officers have decided against men who are very tall. Out of the number of successful applicants from the Queen's Own Rifles, 22 from the Tenth Royal Grenadiers, 3 from the Forty-eighth Highlanders, 7 from the Thirtieth Wellington Rifles, 5 from the Thirtieth, of Hamilton, and one is a civilian, making a total of 73. The civic authorities will give each of the seven Toronto officers in the corps a service revolver.

NOTES.  
The Walkers, of Walkerville, have consented to allow some of their employees to go to South Africa. Their positions will be retained for them, and their salaries will run at the old rate.

Two Maxim guns will be taken along with the Canadian contingent. It is also likely that a number of bicycle messengers will be taken by a bicycle corps.

The Imperial war authorities are applying for 2,000 tons of Canadian hay to be delivered at Cape Town before Christmas.

Lieut.-Col. Holmes has ordered a garrison church parade for tomorrow to St. Paul's Cathedral. It has been ordered on account of the coming departure of the South African contingent. Every branch of the service in London must attend. It is hoped that the parade will be as large as possible. Men well paraded at drill shed at 10 o'clock. Rev. Canon Darn left preach.

After the sermon Very Rev. Dean Innes will publicly present Sergt. Geo. Sippl with a medal from the Humane Society for conspicuous bravery and presence of mind in saving the life of a child in the central fire hall several weeks ago.

Scenes of Excitement at the Toronto Armories—Liberality of the Walkers of Walkerville.

Toronto, Oct. 21.—There was a scene of great excitement at the armories yesterday, when recruiting was begun for the Toronto district company of the South African force. Men were present from almost every one of the eighteen regiments of the district. The Thirtieth, of Hamilton, and the Halldand, Welland and Ontario county corps were especially well represented. On the first call a great body of men lined up, and Capt. Denison, of the Royal Canadian Infantry, the selecting officer, passed along the ranks and picked out the finest men offering. By noon 146 men had been thus picked out, and 69 selected from among them for medical examination. The Q. O. R. and Grenadiers are each doing their share; each is limited to twelve men, and the Highlanders to ten. This is to prevent any one regiment from getting too large a share of the honor of providing men. Only 110 men are being chosen here, and even they will not all be selected. Today they will go to barracks at Stanley Fort, and on Tuesday leave for Quebec. Yesterday 129 city men offered for the 34 places open, and those selected are splendid in physique, well drilled and excellent shooters.
