SCHOOL TEACHERS CONVENE

Sisters of St. Joseph From London District Met Last Week.

A convention of the Sisters of St. Joseph in charge of the Separate schools in Walkerville, Belle River, St. Thomas, Goderich, Ingersoll and London was held last week at the convent, Mount St. Joseph. The convention was ably conducted by Mr. J. F. Power, of the Simcoe Collegiate Institute. In his opening address Mr. Power complimented the teachers present on the remarkable success of the past year's work in the various departments of the school course. He was pleased to see the separate schools keeping abreast with the times in the mental, moral and physical training of youth. Mr. Power dwelt particularly on the high ideal teachers should have of their professional work, and said that in every lesson the aim should be to arouse in the child a love of study and a thirst for knowledge, so that on leaving the teacher's care he may be encouraged to continue the education which has in reality only begun.
