### A CLEAN SWEEP BY CORNELL ROWERS

Carry Off All the Events at the Intercollegiate Regatta.

Poughkeepsie, July 2. - Cornell made a clean sweep of the fifteenth Scarff, sk ... 20 Shaw, sk ..... annual regatta of the Intercollegiate Rowing Association today, Like Harvard at New London, yesterday, she won the four-oared varsity, the freshmen and 'varsity eight-oared races. The first two were rowed in record time. Cornell had an easy thing of it in the 'varsity four-oared and the freshmen eight-oared, but in the 'varsity eight-oared race Columbia gave her a thrilling finish. Official positions and

times were: 1. Cornell, 19:02. 2. Columbia, 19:04: 2-g. 3. Syracuse, 19:15 1-5. 4. Wisconsin, 19:24 1-5. 5. Pensylvania, 19:32 1-5. Getting her stroke last of all the

o crews, Columbia pulled up gradually from her position, and at the three-0 mile mark her shell was well in front of Syracuse, and from that point to the finish her bow barely lapped Cornell. But once during the race did Cornell increase her steady 34-stroke, and that was just before the finish line was reached, when she ran it up to 35 and opened up a few feet of space between her and the Columbia shell's bow. Syracuse finished three lengths behind Columbia, with Wisconsin three lengths in the rear. Pennsylvania was last, two lengths behind Wisconsin. All the races were rowed down the stream with the tide, and the first two had a strong breeze, which probably ac-

counts for the record time. The Cornell crew won the four-oared race, covering the two-mile course in 10:01, official time, and breaking the record made by the Syracuse four years ago. The Ithaca crew won easfly, and led the way over the finish line three lengths ahead of Syracuse. Columbia finished third and Pennsylvania

fourth. Columbia went out in front at the start, but Cornell, with the easy Courtney stroke, quickly took the lead, and was never seriously pressed. All the crews rowed splendid races,

and Syracuse and Columbia both fin-

ished within the record made by Syra-

cuse in 1905. The freshmen eight-oared race went to Cornell by a length over Syracuse. Pennsylvania made a fine spurt in the last lap, being three-quarters of a length over Wisconsin, which crew was about four lengths ahead of Columbia. Official time: Cornell, 9:07 3-5: Syracuse, second, 9:14 4-5; Pennsylvania, third, third, 9:21; Wisconsin, fourth, 9:22 4-5; Columbia, fifth, 9:26.

**JACK JOHNSON STARTS WORK FOR KETCHELL** 

Champion Has Rented Cottage at Cedar Lake, Ind., and Will Get Off Weight.

Chicago, July 3 .- Jack Johnson returned to the city yesterday, and will depart next week for Cedar Lake, Ind., where he will train for his battle with the middle-weight champion, Stanley Ket-chell, to be held in Colma, Cal., in October. Johnson has rented a cottage at Cedar Lake, and intends to do considerable road work and rowing on the lake. He believes this will tend to reduce his weight, so that when he goes west about a month before the fight he will not have to do much hard training.

London, July 3. - Martin S. Kalmon, the claim that perfect self-control over mind and body can be acquired by a correct method of breathing will come as a great surprise.

The claim is put forward by a picturesque Hindu philosopher, the Swamf Abhadanada, who has come to London to teach eastern secrets of health and longevity to the people of the western world. Robed in scarlet and sitting in an inpretentious and scantily furnished room in Conduit street, Bond street, he received representatives of the London Medical Society, scientists and members of the press, and discoursed with them on the press, and discoursed with them on the religion of Vedanta, which Professor Max Muller, the great philologist, once described as "the most sublime of all philosophies and the most comforting of
