A DAY IN THE SPORTING WORLD

SIDE LIGHTS ON
MANY SPORTSTWO MORE PLAYERS SIGNED
UP WITH REISLINGS REDSKINS

Eddie Linneborn Has Also Intimated That He Will Send In His Contract—Players Report at Marietta, on April 10.

[BY JINX.] Manager Reising, of the London Baseball Club, has landed several more players for the local Canadian League team, and in a letter to President Stevely this morning, stated that he believed he had a pretty strong lineup already. Among the latest additions to the London team is Joe Munn, an outfielder. Reising says Munn is a good one. According to "Doc's" letter, Munn simply murdered all the pitchers in the southern part of Ohio last season. Reising has also signed up Al Houseman, a pitcher. Houseman comes well recommended, and he will be given a good trial. The contracts of these two players and Mike Mullen, the recently acquired third sacker, and Bob Argue will be sent in in a day or so.

Linneborn Will Sign. Probably the best news contained in the letter is that Eddie Linneborn, the great little second baseman of the London team, has accepted the terms offered him by the London Club. In a letter to Manager Reising, "Linny" states that he will send in his contract just as soon as he returns to Buffalo. He is at present making a tour of some of the big cities with the Buffalo German basketball team. He states that he is well satisfied with the offer made him, and he looks forward to one of the best seasons of his baseball career.

BUSY WEEK AHEAD
FOR LOCAL CURLERS

Starting Tonight. Some Important Games Will be Played Off at the Thistle Rink.

If the present weather holds good this week will be a busy one at the local curling rinks. The Thistle bonspiel will be played off this afternoon and evening, and tomorrow three rinks of Detroit curlers will pay a visit to London and play a friendly game with three rinks chosen from the local clubs. On Wednesday evening the rinks in the district cup competition will be played off. The London and Thistle club are the opposing teams. This game has been held up a soft spell of last week, and it is necessary that it be played this evening.

Thursday night the London Club will be holding the prizes. The team is donating the prizes. The Beattie trophy will also be played for on this night. This trophy is competed for annually among the London Club curlers. Last year Skip Fred Rumball won it. The curlers will surely have a busy week, that is if the weather holds good.

OUTLOOK FOR CHEESE
BUSINESS IS BRIGHT

At Successful Meeting of the Crinan Factory Patrons Interesting Facts Are Given.

[Special to The Advertiser.] Crinan, Feb. 8.—The annual meeting of the Crinan Cheese Factory was held in the factory hall on Friday and was well attended, showing clearly that the farmers of this district are beginning to take an added interest in the dairy industry.

Mr. Peter Stalker was appointed chairman, and in a few words told of the past history of the cheese industry in Crinan and also of the improvement in the standard of the milk and cheese during the past four years. The report for the last year was read and adopted by the patrons:

Number of pounds of milk received, 625,235; number of cheeses made, 60,960; average price, 12.69 cents; average yield, 10.92 cents. The average cost of milk per 100 pounds was \$1.02. The total income of the factory was \$7,521.61, of which 28 patrons received \$6,721.00. The officers of the factory were all re-elected, after which Mr. Fred Boyce, instructor for the district, gave a very interesting address, complimenting the patrons on the improvements made in factory conditions since he first became an instructor. He impressed upon them the great necessity of having their milk pasteurized. It is one of the great ways of improving the standard and condition of milk, also of the cheese.

Regarding the increasing of the business in the district Mr. Boyce quoted a personal experience. He started with a factory producing only 36 tons of cheese; the next year's produce was 76 tons, next year 86 tons, and the following year 130 tons. This increase was brought about through the maker getting out after the patrons and impressing upon them the greatness of the dairy business and getting them to increase their herds three cows each. Price of cheese during the past year was not what it should have been on account of the tight money market, but the outlook for the present year was better. At present there are large stocks of cheese on hand. Farmers are sending to the creameries and raising calves with almost no cost on account of the high prices of cattle. Another reason was that the milk business is drifting into other channels, such as making of ice cream and condensed milk, making the output of cheese less than it should be.

These several reasons mean an increased price for cheese during 1914. He urged the farmers to attend more to the cooling of their milk and where water was scarce to put in ice. Mr. Boyce also impressed upon his audience the necessity of weighing milk and knowing the production of each cow, thus giving the owner an opportunity to cull out his unprofitable cows. Mr. B. Sutton was present with his photograph and gave several selections. The meeting was one of the best held in the district for years, and the outlook for the coming season certainly is bright.

TEAM MUST ABIDE
BY CONSTITUTION

O. A. B. A. Players Barred in City Basketball League.

COMMITTEE MEETING HELD

Protest of Alpha Club Will Be Dealt With Later—Some New Rules Added.

A meeting of the executive, composed of Messrs. Childs, Rhodes and Perry, appointed to deal with some disputed matters in connection with the City Basketball League, was held at the Y. M. C. A. Saturday. Owing to the fact that some of the City League players have been picked for the O. A. B. A. teams, disputes have arisen as to the eligibility of these men for City League games. The constitution of the league, drawn up when it was organized last October, distinctly says that all players playing on O. A. B. A. teams shall be barred. In view of this, the committee could see no reason why the constitution should not be lived up to, and accordingly they voted to let it stand. The players who will be barred by this ruling are Stephens and Smith, of the Arts, and McKay, of the Meds. Both these teams have a number of good men to pick from now, ever, so they should not be weakened to any extent.

Alpha's Protest Considered. The Alpha's protest of the replayed game with the Arts on 21 was also considered, but the matter was left over until the managers of both teams are given a chance to explain. The Alpha's reason of protest is that the Arts player, Smith, who was not eligible at the time the first game was played. To avoid future trouble of this kind, the committee ruled that in the event of playing off the postponed games, the teams must play with the men eligible at the time the game was postponed or tied.

Meds and Alpha to Play Off. The Alpha and Meds were ordered to play off their postponed game on Tuesday evening preliminary to the Woodstock College vs. Y Juniors O. A. B. A. game. The committee also ruled that in future managers of teams, finding it impossible to get their men out for a scheduled game and having to postpone it, must first give Secretary Taylor of the Y. M. C. A. three days' notice of the fact or the game goes by default. The committee will meet again next Saturday.

HAMILTON OR NIAGARA
MAY MEET LONDON NEXT

No Chance of Meeting Berlin For Some Time Yet—Tom Marsh Refuses Tonight.

According to official word from the O. H. A., the winner of the London-Sarnia series will meet the winner of the Hamilton-Niagara Falls series. This means that Berlin as a London will not come together until the semi-finals or maybe finals. London expects little trouble with Sarnia, so it is likely the locals will have a trip to Hamilton, which is conceded a win over the Falls team, before getting into the semi-finals. Tom Marsh, the Toronto referee, will handle the game at Sarnia tonight.

OTTAWA N. H. A. MANAGER
MAY BE UP ON CARPET

Serious Charge Brought Against Percy Le Seuer as Result of Saturday Night's Game.

[Canadian Press.] Montreal, Feb. 9.—The Gazette this morning says: It is alleged by several who witnessed the match between Ottawa and Wanderers at Ottawa on Saturday night that Percy Le Seuer, play-manager of the Ottawa club, devoted a great deal of time to a new style of coaching during the play. While the Ottawa players were holding their own against the Wanderers, Le Seuer was sitting on the bench and coaching the players. When the tide turned, it is alleged that he made his way to the bleachers and encouraged "mild-mannered" players. Billy Nicholson, pleading with them to help Ottawa by getting Nicholson off his game.

If there is any truth in this report, then it is up to the National Hockey Association to deal with the matter, as Le Seuer is not only a player but an officer of the Ottawa club, and should be held responsible for the conduct of the crowd toward visiting teams. Le Seuer is under the jurisdiction of the association, and the playing of a match, and such conduct is worthy of an investigation.

WOULD SECURE THEM
TO FEDERAL LEAGUE

Action To Be Brought Over Killifer and Kirkpatrick. [Canadian Press.] Chicago, Feb. 9.—Legal action to secure the services of William Killifer and Elmer Kirkpatrick to the Federal Baseball League will be begun within ten days, according to announcement last night by Edward E. Gates, of Indianapolis, chief counsel for the league, who spent yesterday in conference with James Gilmore, Federal president.

Mr. Gates said, however, that probably no legal effort would be made to keep Leonard Cole with the Federal league, as the league officials had decided that he probably was under a moral contract with organized baseball at the time of signing his Federal agreement.

The suits to hold the players will be brought by the Chicago and Baltimore clubs, which hold the contracts of Killifer and Kirkpatrick, respectively. The clubs will be supported by the legal and financial aid of the league.

President Gilmore announced the following umpires signed for the Federal: Wm. Brennan, National League; Steve Cusack, Three I League; Ham Bush, National and Pacific Coast Leagues; Barry McCormick, manager of Peoria club of the Three I League; and Steve Kane, Ollie Anderson, A. Mannassau and Monte Cross, all former major league umpires and players.

Duncan Goes Over. Dallas, Texas, Feb. 9.—"Duke" Duncan, outfielder, who was sold to the Philadelphia Nationals by Dallas, of the Texas League, last season, has signed a three-year contract with the Baltimore Federals. Duncan so wrote President Gardner, of the Dallas Club, in a letter received today.

BIG CROWD WILL GO
WITH TEAM TO SARNIA

Fans Will Have Opportunity to See Team On Hard Ice.

GAME SHOULD BE FAST ONE

It Is Not Likely Game Will Be Defaulted in Order to Play Exhibition Team.

Although London is picked to easily beat Sarnia in the Tunnel town, it is likely some two or three hundred fans will accompany the local intermediates tonight by special train to that place. The game will be an interesting one, and, besides, it will give the fans who go another opportunity to see the Indians on real hard ice. This privilege has been so rare this season that it is worth travelling 60 miles or so just to see how the boys behave on the hard stuff.

Locals Have Been Resting. The game should be fast. Sarnia has about as good a team as it had last season, and London had to hustle some to win in the Tunnel town. The London team has had over a week's rest, and whether this has been a beneficial thing or not will be known tonight. The players have been practicing and keeping in shape, and they are eager to get into the battle again. They are now on the second lap in the race for the silverware, and they must get down to real business.

Will Not Likely Default. It is not likely, Sarnia will default and substitute its exhibition team for the game. Such an action on the part of the Sarnia men would likely bring about their suspension by the O. H. A., and they cannot afford to take the chance. A game will likely be arranged with London and the Sarnia exhibition team following the regular O. H. A. season, until such time as the locals are put out of the running, but it is not likely these teams will meet before that.

ONTARIOS DOWN IN
THE CELLAR AGAIN

Quebec Handed Them a 6-4 Defeat Saturday.

GAME FAST ALL THE WAY

Great Work of Quebec Defence Smothered Speedy Work of Ontario Forwards.

Toronto, Feb. 8.—Ontario let themselves down into the cellar position Saturday night when they allowed Quebec to defeat them by the score of 6 to 4. On form, the champions should never have given such a striking distance of the locals, but the Irishmen seemed demoralized. As the Wanderers did the unexpected in Ottawa, they raised themselves up on equal terms with the Ontarios. The great work of the Quebec defence and the checking back system that has made them famous counteracted with a vengeance any speed that the locals had on them. Moran in goal was very good, and saved repeatedly what looked like tallies. Tommy Smith as usual, as a goal-getter, was in his element, and his tricky stick handling and skating played havoc with the local defence.

The first period was rather lifeless. The first goal came off McDonald's stick in six minutes, but Crawford evened it up a minute later. Quebec began to press, and on a long shot that Herbert did not clear quickly, the visitors made a protest, claiming that the puck had gone in. Goal Umpire Warwick refused to declare it a goal, and he was subsequently removed because of the protest. Malone replaced Marks. The first period ended a tie with the score one to one.

Soon after the start of the second period, Moran was downed by a hard shot and knocked out. He recovered and continued. Seven minutes later, Crawford opened the scoring and through and tallied. Mumery rushed and passed to Tommy Smith, again fooling the defence. Crawford broke away and scored right in for another tally. The period ended with the score 5 to 2 in favor of Quebec.

It took 12 minutes of the third period before Ontario on a three-man combination got the first tally. Lowery did the tallying act. McNamara went down and plunged his huge body right through the Quebec defence, and tallied as he was passing the puck. Besides the great work of Tommy Smith, however, decided that he had not done enough work and came back and scored right in for another tally. The game ended with the score 6 to 4 in favor of Quebec. Line-up: Ontario—Goal, Herbert; point, Lake; rover, McNamara; centre, Lowery; right rover, Macdonald; left wing, Doherty. Quebec—Goal, Moran; point, Mumery; cover, Hall; centre, T. Smith; right wing, Marks; left wing, Crawford. Referee, A. Westwick. Judge of play, Dr. Woods.
