London Press upon Benson's
Watches in the Exhibition, '82

London.

London, June 7, 1882.

"A more splen-
did and beau-
tiful piece of me-
chanism we have
never seen."

"Somehow
we are of great
interest to the
English watch
trade, and with the same
spirit and suc-
cess this first
watch with for-
eigners deco-

re seems to be no reason why we
trade entirely into our own hands."

The base of the clock were the
Benson exhibited, and which have
been placed in the Royal Palace of
London.

June 7, 1882.
