Daily (without Sundays) by the ye

the Kiely-Everetts seek to have the benefit of it for themselves. Already the operating ex-penses on the Louisville road have been re-ordinary ratepayer is puzzled at the idea of duced to 51 per cent. of the total receipts. and so rapid is the advance in the direction of dectrical car improvements that it is treasure without the grant from the civic

of the Kerr-Brock alternative tender. We take no stock in the objection in re-

they do with a pass from one or other, or both, of the railways in their pockets. Not only do these M.P.'s steal the money which the youry or figure in the case at all? It seems he was present smoking cigars during they receive by way of mileage, supposed to be disbursed by them, but they are bribed in favor of one or other of the companies, and in any case to the loss and injury of the public. The Globe yesterday morning, speaking of Mr. Burgess' wrongful appropriation of \$100, says it is no excuse, that it is "only a little one." Now we know many people who would value an annual railway pass at more than \$100. The fact is that the whole atmosphere of public life in Canada wants purification. There are honorable men conected with politics on both sides; and one of their chief employments is watching their associates and bewailing a state of things. associates and bewailing a state of things that is a disgrace to both parties. It is a case of pot and kettle, and yet we have politicians of the brand of J.D. Edgar and J. Charlton holding up their hands in horror over the iniquities of a Per-ley or McGreevy. Suppose these two gentle-men-we have taken up their names at ran-we have taken up their names at ran-dom-were to taken up their and the good sense of a sober jury. The average juryman is too apt to enter-tain a feeling of sympathy for the misquided is driven to murder. But the indulgence of this feeling is a direct incentive to the multi-ley or McGreevy. Suppose these two gentle-men-we have taken up their names at ran-ten to in the tearful and perchance pretty woman the tearful and perchance pretty woman dom-were to tell in print all they know of the tearful and perchance pretty woman dom-were to tell in print all they know of the methods adopted to fortify the Mowat and Mackenzie administrations. What racy reading it would make! The fact is we all know how it is done, done by both parties, and the revelations being made before the the woman who with murderous hands de-prives of life the little innocent whom she is responsible for ushering into the world. Tarte committee must seem to some of Mr. Mowat's wirepullers a dreamy echo of what Holy Writ, "The Way of the Transgressor is they have been going through here for years past. It will take time for our political corruption to assume the refined complexion obtaining in older countries. draw an indemnity of \$1000 a session, in ad-Mr. Burgess might say that Ministers, who dition to the annual salary paid them as armed watchmen in the tower, and, dressed heads of departments, necessarily residing at in glaring prison clothes make their escape the seat of government, virtually infringe along the streets, there is but one thing to heads of departments, increasaring resulting to the search of government, virtually infringe the regulation that civil service employes cannot receive pay for extra services. It is a steal—a steal openly and unblashingly done and winked at; but the principle is bad and the system of "grab" thereby encouraged and condoned. But familiarity breeds contempt, and people get used to anything. It is only the first cut that hurts. Be Fair to the East End. Residents of the East End. Residents of the East End. the regulation that civil service employes be done. Without going so far as to ask

LOVE ME, LOVE MY DOG. an "unfortunate letter" or some other loop hole could be discovered—the doings of helf a year cannot be quite covered up and hid-A Lady's Spirited Answer to the Letter on Editor World: Such a letter as the one on by a diplomatic letter to a public meetappearing in this morning's issue of The World, headed "Cat Worshippers," is not calculated to impress one with the idea that noon the royal State carriage left Bucking-The Mayor falks about making a muni-

III UUULU A TAIL UNPOIN The very thought of which excites our recenses risibilities and we instinctively laugh over the absurd picture. A little nonsense now and then is relished by the wisest men. But now, should we at tale of sense unfold, say a tale of health—how to retain or ac-oure it without medicine. Ah, instantly, how restivel Strange freak of human na-ture; seemingly don't want to know a secret so invaluable. Why such quick revulsion of feeling? Simply because the customary doc-toring and drugging has been a complete failure and the public mind is suffering from a chronic state of medical scepticism. The reader will admit the obvious truth of this statement. But is it reasonable or vize to conclude that because the drug system has failed, all other and radically different sys-temet, unobstructed, would certainly restore lost or waning health? Certainly, nothing is more reasonable, and everyone evinces his faith by efforts put forth, sooner or later, to recover health.
