

EVERYBODY who knows anything about insurance acknowledges that the Independent Order of Foresters is far and away the **Best Fraternal Benefit Society in the world.** It was founded in Newark, New Jersey, on the 17th June, 1874, and has spread all over the United States and Canada, and is rapidly spreading in Great Britain and elsewhere.

The Unexampled Progress and Prosperity of the Independent Order of Foresters

is shown by the following figures :

The cause of this unexampled prosperity and growth of the I.O.F. is due to the fact that its foundations have been laid on a **Solid Financial Basis**, and every department of the Order has been managed on business principles, thereby securing for all Foresters large and varied benefits at the lowest possible cost consistent with **Safety and Permanence.**

At date all Benefits have been paid within a few days of filing the claim papers, amounting in the aggregate to the princely sum of **Two Millions Seven Hundred and Sixty-Two Thousand Three Hundred and Forty-Five Dollars.**

Look at this list of the benefits which you may obtain for yourself by becoming a Forester :
