

CONSTRUCTION NEWS SECTION

Readers will confer a great favor by sending in news items from time to time. We are particularly eager to get notes regarding engineering work in hand and projected, contracts awarded, changes in staffs, etc.

Printed forms for the purpose will be furnished upon application.

TENDERS.

Newfoundland

ST. JOHNS.—Canadian manufacturers of railway materials have another opportunity to tender for a valuable contract in Newfoundland. Mr. J. E. Ray, Canadian Trade Commissioner at St. John's, reports to the effect that the Reid Newfoundland Company are building a branch railway 100 miles in length. Work on the permanent way has just commenced under 2,000 men, but the rails will not be laid until next spring. Manufacturers of steel rails, bridges and railway materials should apply to H. D. Reid, The Reid Newfoundland Co., St. Johns, Newfoundland.

Quebec.

ARTHABASKA.—The secretary-treasurer of the council of the County of Arthabaska will receive up to Thursday, December 9th, tenders for the construction of a steel bridge on the Becancour River, between the municipalities of St. Louis of Blandford and the township of Stanfold. Louis Lavergne, secretary-treasurer.

HULL.—Tenders will be received until Monday, 6th December, 1909, for pumping equipment. R. W. Farley, City Engineer. (Advertisement in the Canadian Engineer.)
