The Canadian PORTRAIT GALLERY. PROSPECTUS.

The true history of every civilized nation is very largely made up of the history of prominent individuals, and of no country can this fact be more truly predicated than of our own. The absence from our literature of any recent work devoted exclusively to CANADIAN BIOGRAPHY has long been deplored, and in projecting the CANADIAN PORTRAIT GALLERY the publisher believes that the time has arrived when such an undertaking will be fully appreciated. The work is intended to supply a recognized want, and to worthily fill a place which has long been vacant.

It is intended to make the CANADIAN PORTRAIT GALLERY a complete and trustworthy Cyclopaedia of CANADIAN BIOGRAPHY, from the period of the first discovery of the country down to the present times. Special prominence will be given to the lives of persons now living. With regard to those who have passed away, there are also a few who stand out so conspicuously in our annals as to deserve full and comprehensive treatment. On the other hand, there are many names which, though of sufficient note in their day and generation, have left no permanent or abiding traces behind them. With reference to the latter, a more concise account will be given.

The book will possess a value and an interest for every Canadian, and it will be the aim of both editor and publisher to make it of permanent value. No pains or expense will be spared to render it worthy alike of the attention of the accomplished scholar and of the general reader. In a mechanical point of view it will be the most sumptuous work ever issued in this country.

The work will be published in parts of quarto form. Each part will comprise thirty-two pages of letter-press, and will contain three or more beautifully tinted portraits produced by a modern process, of the highest artistic excellence, by which a correct likeness can be obtained.
