CAMPBELL'S TONIC ELIXIR

This agreeable yet potent preparation is especially adapted for the relief and cure of that class of disorders attendant upon a low or reduced state of the system, and usually accompanied by Pallor, Weakness and Palpitation of the Heart. Prompt results will follow its use in cases of Sudden Exhaustion arising from Loss of Blood, Acute or Chronic Diseases, and in the weakness that invariably accompanies the recovery from Wasting Fevers. No remedy will give more speedy relief in Dyspepsia or Indigestion, its action on the stomach being that of a gentle and harmless tonic, exciting the organs of digestion to action, and thus affording immediate and permanent relief. The carminative properties of the different aromatics which the Elixir contains render it useful in Flatulent Dyspepsia. It is a valuable remedy for Atonic Dyspepsia, which is apt to occur in persons of a gouty character.

For Impoverished Blood, Loss of Appetite, Despondency, and in all cases where an effective and certain stimulant is required, the Elixir will be found invaluable.

In Fevers of a Malarial Type, and the various evil results following exposure to the cold or wet weather, it will prove a valuable restorative, as the combination of Cinchona Calisaya and Serpentina are universally recognized as specifics for the above-named disorders.

\$1,000 REWARD FOR ITS SUPERIOR. Washing made light and easy. The clothes have that pure whiteness which no other mode of washing can produce. No rubbing required—no friction to injure the fabric. A ten-year-old girl can do the washing as well as an older person. To place it in every household, the price has been placed at \$3, and if not found satisfactory, money refunded. See what *The Baptist* says: "From personal examination of its construction and experience in its use we commend it as a simple, sensible, scientific and successful machine, which succeeds in doing its work admirably. The price, \$3, places it within the reach of all. It is a time and labour-saving machine, is substantial and enduring, and is cheap. From trial in the household we can testify to its excellence." Lecture on Dante,

Scientific and Useful.

BUTTERMILK CAKES.—Stir into a quart of fresh buttermilk two small teaspoonfuls of soda, salt and flour enough to make a batter. Stir thoroughly and bake quickly.

CRACKERS.—Rub four ounces of butter in one quart of flour, make it into a paste with rich milk, knead it well and roll as thin as paper; cut them out by a small saucer, and bake quickly to look white when done.

DROP BISCUIT.—Take one quart of flour, one heaping tablespoonful of lard, two teaspoonfuls of baking powder well mixed in the flour, a little salt, enough milk to make a stiff batter. Drop into greased pans and bake quickly.

HIGH PRAISE.—Mrs. John Neelands, writing from the Methodist Parsonage, Adelaide, Ont., says: "I have used Hagyard's Pectoral Balsam in our family for years. For heavy colds, sore throats and distressing coughs no other medicine so soon relieves."

SWEET MILK GEMS.—Beat one egg well, add a pint of new milk, a little salt and Graham flour until it will drop off the spoon nicely. Have ready your gem pans, well greased and heated. Bake in a quick oven and send to the table hot.

SCOTCH SWEET BREAD.—Half a pound of butter and a quarter of a pound of sugar mixed to a cream; add one pound of sifted flour, knead and roll it half an inch thick. Bake slowly. If the cake is preferred very sweet use six ounces of sugar.

JAMES PYLE'S PEARLINE is universally approved by those who use it for its admirable cleansing properties and the relief it affords in washing clothes. Sold by grocers everywhere.

EGG SALAD.—Boil ten eggs hard, remove shell and halve them, put lettuce, nicely washed and freshened (we wash it and put it in beside the ice on our salad dish), on dish and lay the halved eggs around them, make a mild mayonnaise dressing and pour over it.

LIGHT TEA CAKE.—One cup of sugar, two eggs, half a cup of melted butter, one and a quarter cups of milk, two teaspoonfuls of cream of tartar and one teaspoonful of soda. Add flour enough to make it a stiff batter. Bake twenty minutes in a good oven.

A PAMPHLET issued this spring by the North American Life Assurance Company, entitled "Prompt Payment of Death Claims," contains acknowledgments from all parts of Canada, thanking the Company for its promptness and liberality in dealing with the beneficiaries of its deceased policyholders.

The acknowledgment in this day's paper of the payment of \$15,000 on the life of the late Sedley Blanchard, Q.C., of Winnipeg, is evidence that the Company intend keeping up the record for which they are now so well known, viz., prompt payment of death claims.

We have no doubt this is one of the causes that have led such large numbers to take out policies in the North American Life Assurance Company this year. We understand that the new business of this year compared with the business of 1885 to the end of May was three-quarters of a million in excess, being very considerably over double its business up to the same time last year.

The Government report shows that the North American Life Assurance Company was in the front rank with the leading Companies for new business in 1885. The business for 1886 will no doubt give further evidence of the favour in which the Company stands with the insuring public. The marvellous growth and wonderful success is just evidence of what can be done by a life company, well managed, with good plans of insurance and a proud record for liberal treatment of its policyholders.—*Toronto World*, June 5, 1886.

RICE WAFFLES.—Beat three eggs very light, stir into one and a half pints of flour; mix with the flour one quart of milk and then add one pint of boiled rice, with a tablespoonful of butter stirred in while the rice is hot. Add a tablespoonful of good yeast and salt to your taste.

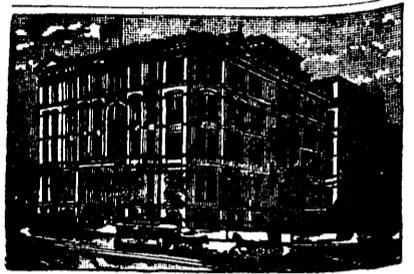

POTTED CHICKEN.—Take the meat from the bones of a cold fowl, and to every pound allow one-quarter pound cooked ham, one-quarter pound butter, salt and cayenne to taste, a little pounded mace and nutmeg; pound the meat in a mortar with the butter and spice; put into small glass jars and cover with half an inch of melted butter.

Dr. J. SIMONAUD, New Orleans, La., says: "Scott's Emulsion is the finest preparation of the kind ever brought to my notice in affections of the lungs and other wasting diseases, we may consider it our most reliable agent. In a perfectly elegant and agreeable form."

"MYSTERIOUS PEOPLE."

Celestial Children of the pig-tailed race! Scorned by us Easterns, who are yet obliged to face and bow before thy ingression! What do we owe thee? Nothing more or less than thy anti-Christian idea that gave to Caxton his Printing Press, who multiplied the Bible, that superstition killed and gave freedom to ourselves—and now to-day on Yonge Street loads with Books our groaning shelves. We owe this debt as well thy Hindoo brother for those fragrant, pungent leaves, that give light, health and pleasure to all who use the Li-Quor Teas. All grades from 50c. to 80c. a pound. A handsome volume, your own choice, from our catalogue, with every 3 pounds. GEO. MANN & Co., Sole Wholesale Agents, 295 Yonge St., Toronto.
